PATENT, TRADEMARK AND DOMAIN NAME ASSIGNMENT

THIS PATENT, TRADEMARK AND DOMAIN NAME ASSIGNMENT (the "Assignment") is made and shall be effective as of 11:59 P.M. (CST), December 31, 2017 (the "Effective Date"), by and between Dowco, Inc. ("Assignor"), a Wisconsin corporation, and Dowco Powersports, LLC, a Wisconsin limited liability company ("Assignee").

RECITALS

WHEREAS, Assignor, owns all right, title, and interest in and to the (i) patent and patent applications identified in **Exhibit A** attached hereto, and all inventions described and claimed therein (including all divisional, continuations, continuations-in-part, provisionals, reissues, renewals, reexaminations, extensions of such patents or interferences thereof) (collectively referred to as the "Assigned Patents"), (ii) trademarks identified in **Exhibit B** attached hereto, any associated applications and registrations thereof, any related common law rights, and further including the goodwill associated with the trademarks (collectively the "Assigned Trademarks"), and (iii) domain name registrations identified in **Exhibit C** (collectively the "Assigned Domain Names");

WHEREAS, Assignor, as the sole member of Assignee, desires to make an initial contribution to Assignee by contributing certain of its assets and rights to Assignee, including all right, title and interest throughout the world in and to, along with the right to recover damages and profits for past and future infringements of, the (i) Assigned Patents and in and to any applications that have been or shall be filed in any foreign countries claiming priority thereto, and all patents or utility models of foreign countries that may be granted therefrom, (ii) Assigned Trademarks and any applications and registrations therefor, together with the goodwill of the business in connection with which the Assigned Trademarks are used and which is symbolized by the Assigned Trademarks, and (iii) the Assigned Domain Names, together with the goodwill of the business in connection with which the Assigned Domain Names are used and which is symbolized by the Assigned Domain Name.

AGREEMENT

NOW, THEREFORE, for the good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, effective as of the Effective Date, Assignor hereby sells, assigns and transfers unto Assignee all right, title, and interest in and to the (i) Assigned Patents, and in and to any applications that have been or shall be filed in any foreign countries claiming priority thereto, and all patents or utility models of foreign countries that may be granted therefrom, all proceeds therefrom together with any and all claims or causes of infringement thereof that may have accrued prior to and/or after the Effective Date, together with the right to bring suit for and/or initiate any proceeding to collect any and all damages arising from said claims or causes of action, (ii) Assigned Trademarks and any applications or registrations therefor, together with all common law rights therein, the goodwill of the business in connection with which the Assigned Trademarks are used and which is symbolized by the Assigned Trademarks, throughout the world, all renewals thereof, and all rights of action, powers, and benefits accrued thereto, including the right to sue for and collect damages and profits for past and future infringements thereof, and (iii) Assigned Domain Names, together with the goodwill of the business in connection with which the Assigned Domain Names are

used and which is symbolized by the Assigned Domain Names, to be held and enjoyed by the Assignee for its own use and benefit and for its successors and assigns as the same would have been held by Assignor had this Assignment not been made.

Where appropriate, the parties authorize and request the (i) Commissioner of Patents and Commissioner of Trademarks of the United States Patent and Trademark Office, whose duty it is to register patents and trademarks, to record Assignee as the assignee and owner of the Assigned Patents and Assigned Trademarks and (ii) the issuing domain name registry to record Assignee as the assignee and owner of the Assigned Domain Names.

Assignee and Assignor hereby further undertake that they will execute such additional documents and take such further actions as may be reasonably required in order to confirm and further effectuation the assignment of the Assigned Patents, Assigned Trademarks and Assigned Domain Names by Assignor to Assignee.

This Assignment (i) may be executed in one or more counterparts and delivered by facsimile, portable document format or other electronic means, each of which when so executed and delivered shall be deemed to be an original and all of which together shall be deemed to be one and the same agreement; (ii) shall be binding upon and inure to the benefit of the parties hereto, and each of their successors and assigns; (iii) shall be governed in all respects by the internal laws of the State of Wisconsin, without regard to its conflicts of law principles which would require application of the laws of another jurisdiction; and (iv) may not be amended or modified unless in writing and signed by Assignee and Assignor.
