PATENT SECURITY AGREEMENT

This PATENT SECURITY AGREEMENT dated as of November 3, 2017 (as amended, restated, supplemented or otherwise modified from time to time, this “Agreement”), is made by SPECTRUM DIVERSIFIED DESIGNS, LLC, a Delaware limited liability company (the “Grantor”), in favor of EAST WEST BANK, as administrative agent (in such capacity, the “Administrative Agent”) for the lenders party to that certain Credit Agreement dated as of the date hereof among Grantor, the several banks and other lenders from time to time party thereto (the “Lenders”, and collectively with the Administrative Agent, the “Creditor Parties”), and the Administrative Agent (as amended, restated, supplemented or otherwise modified from time to time, the “Credit Agreement”).

Reference is also made to that certain Guarantee and Security Agreement dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the “Security Agreement”), by the Grantor and the other parties thereto in favor of the Administrative Agent for the benefit of the Credit Parties.

The Lenders have agreed to extend credit to the Grantor subject to the terms and conditions set forth in the Credit Agreement. The obligations of the Lenders to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. The Grantor will derive substantial benefit from the extension of credit pursuant to the Credit Agreement and is willing to execute and deliver this Agreement in order to induce the Lenders to extend such credit.

Accordingly, the parties hereto agree as follows:

SECTION 1. **Terms.** Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement or the Credit Agreement, as applicable. The rules of construction specified in Section 1.2 of the Credit Agreement also apply to this Agreement.

SECTION 2. **Grant of Security Interest.** As security for the payment or performance, as the case may be, in full of the Obligations, Grantor, pursuant to the Security Agreement, did, and hereby does, grant to the Administrative Agent, its successors and assigns, for the benefit of the Credit Parties, a security interest in, all of Grantor’s right, title or interest in or to any and all of a security interest in, all of Grantor’s right, title or interest in or to any and all of the patent registrations or applications for registration set forth in Schedule I attached hereto (the “Patents”).

SECTION 3. **Security Agreement.** The security interests granted to the Administrative Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Administrative Agent pursuant to the Security Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Creditor Parties with respect to the Patents are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 4. ***Governing Law.*** This Agreement shall be construed in accordance with and governed by the laws of the State of California.

SECTION 5. ***Execution In Counterparts.*** This Agreement may be signed in any number of counterparts with the same effect as if the signatures thereto and hereto were upon the same instrument. Any signature delivered by a party via facsimile or electronic transmission shall be deemed to be an original signature hereto.
