Assignor has received Ten Dollars (\$10.00) and other good and valuable consideration for this assignment.

Assignor assigns to Assignee all of Assignor's right, title and interest in the Patent Applications, the inventions and designs described and claimed in the Patent Applications, and all patents that may issue based on the inventions and designs and on the Patent Applications in the United States and in every foreign country. Assignor also assigns to Assignee all priority rights in the Patent Applications.*

In those countries where permitted, the Assignor authorizes the Assignee to apply for patents for the invention directly in Assignee's name.* Assignor authorizes the Commissioner of Patents and Trademarks or other governmental authority to issue all patents for the inventions and designs directly to Assignee.

Assignor states that Assignor has the right to grant to Assignee the rights which are assigned by this assignment. Assignor will sign any additional documents as may be needed to carry out the purpose of this assignment.

This assignment is binding on all parties who lawfully succeed to the rights of or take the place of Assignor or Assignee.

The undersigned hereby grant(s) to the firm of Gottlieb, Rackman & Reisman, 270 Madison Avenue, New York, New York 10016-0601, the power to insert on this assignment any further identification of the Patent Application which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office concerning recordation of this document.

The effective date of this assignment is the date at the top of this assignment.
