ASSIGNMENT OF INTERNATIONAL DESIGN REGISTRATION  
INDIRECT FILING IN THE UNITED STATES

Int'l Reg. No.: DM/092401  
U.S. App. No.: 35/501,601  
U.S. App. Filing Date: 05-09-2016  
Inventor: Unnur Kristjansdottir  
Assignee: FLOAT EHF., a Limited Liability Company, in Iceland  
Hjardarhagi 15  
107 Reykjavik  
ICELAND

Whereas, I, the above-identified Inventor, have invented certain new and useful ornamental design for a Float Cap (hereinafter referred to as the "Design Invention") for which an indirect filing of an International Design Registration in the United States (the "Application") has been made, the International Registration Number, U.S. Application No., and U.S. Filing Date for which are listed above;

And, whereas I desire to assign a one-hundred percent (100%) undivided interest in said Design Invention, said Application, and any Letters Patent which may be granted therefore to the above-identified Assignee, and whereas said Assignee is desirous of acquiring the entire right, title and interest in the same;

Now, this indenture witnesseth, that for good and valuable consideration, the receipt whereof is hereby acknowledged;

I hereby assign, sell and transfer a one-hundred percent (100%) undivided interest in said Design Invention, said Application, including any continuation applications (e.g., divisional applications, continuation applications, continuations-in-part applications) thereof, the International Design Registration, and any application(s) the International Design Registration claims priority from (if any), any and all priority rights, Convention rights, and other benefits accruing or to accrue to me with respect to the filing of applications for patents or securing of patents in the United States and countries foreign thereto; and, any and all Letters Patent of the United States, and countries foreign thereto, which may be granted for said Design Invention unto said Assignee.

I hereby authorize and request the Director of the United States Patent and Trademark Office to issue said United States Letters Patent(s) to said Assignee, as assignee of the whole right, title and interest thereto;

I further agree to execute all necessary and lawful future documents, including assignments in favor of Assignee, or its designees as Assignee or its Assignees may from time-to-time present to me in order to perfect title in said Design Invention, modifications, and improvements in said Design Invention, applications and Letters Patent of the United States and countries foreign thereto; and

I further agree to sign and properly execute such necessary and lawful papers for application for filing divisions, continuations and continuations-in-part of said application for patent, and/or, for obtaining any reissue or reissues of any Letters Patent which may be granted for the aforesaid Design Invention, as the Assignee thereof shall hereafter require and prepare at its own expense.

 Executed this 13 day of February 2018.  
Unnur Kristjansdottir
