**ASSIGNMENT OF SHARES IN A PATENT APPLICATION BETWEEN THREE CO-
APPLICANTS**

- 1 **Imperial Innovations Limited** a company incorporated and registered in England and Wales with company number 02060639 and with its registered address at 52 Princes Gate, Exhibition Road, London, SW7 2PG, United Kingdom (**Innovations**).

- 2 **Emory University** a Georgia non-profit corporation with offices located at 1599 Clifton Road, 4th Floor, Atlanta, Georgia 30322 (**Emory**).

- 3 **Cancer Research Technology Limited** a company incorporated and registered in England and Wales with company number 01626049 and with its registered address at Angel Building, 407 St. John Street, London, EC1V 4AD (**CRT**).

Recitals:

- (A) By virtue of the inventor assignment to Innovations dated 15 November 2015 by Imperial and the inventor assignment to Emory dated 30 June 2015, both Innovations and Emory are currently jointly entitled to the whole of the property in the contributions of the inventors to the invention which is the subject of the patent application set out in the Schedule hereto ("the Application").

- (B) The parties have agreed that all three parties will be proceeding as co-applicants for, and co-proprietors of, the Application. The detailed terms on which the processing, commercialisation and exploitation of the Application will be carried out are set out in a separate agreement between the parties.

- (C) The parties have agreed to execute this agreement to ensure that the rights, title and interest in, to and arising from the Application and the invention which is the subject of the Application, are assigned and apportioned between all three parties.

Operative provisions:

1. In consideration for the payment of £1.00 GBP, receipt and sufficiency of which is hereby acknowledged by the parties:

011495

- 1.1 Emory hereby CONSENTS to the assignment by Innovations of a share of Innovation's rights under the Application to CRT.
- 1.2 Innovations hereby ASSIGNS absolutely to CRT free from encumbrances:
- (a) a share in all its right title and interest in and to the Application together with a share in all rights and powers arising or accrued therefrom; and
 - (b) the right jointly with Innovations and Emory to apply for, prosecute and obtain patent or other industrial property protection throughout the world in respect of the invention or inventions which are the subject of the Application, including the right to claim priority therefrom to the intent that the grant of any patent or other protection shall be in the names of and vest in Innovations, Emory and CRT jointly.
3. Emory hereby AGREES that it, Innovations and CRT shall be jointly entitled to the rights title and interest in and to the Application as well as to all rights and powers arising or accrued therefrom.
4. Innovations and Emory further AGREE that at the request and cost of CRT they will hereafter do reasonably requested acts and execute documents that are reasonably necessary or desirable both to secure the vesting in CRT of a share of all rights assigned to CRT hereunder and to assist in the resolution of any question concerning the Application.

AS WITNESS the signatures of duly authorised officers of the parties hereto the day and year first above written.
