ASSIGNMENT

WHEREAS, I, Beth Ann Eckenrode, residing in Presto, Pennsylvania have invented certain new and useful improvements, in building performance assessment systems, for which I have prepared and filed on February 27, 2018, a non-provisional patent application entitled "Building Performance Assessment System and Method" and assigned U.S. Patent Application No. 15/907,222.

AND, WHEREAS, Energy Assurance Solutions, LLC, a limited liability company organized and existing under the laws of the Commonwealth of Pennsylvania, having a place of business at 243 East Main Street, Suite 203, Carnegie, PA 15106, hereinafter called the "assignee", is desirous of acquiring the entire right, title and interest in and to said non-provisional patent application and the inventions and improvements therein disclosed.

NOW, THEREFORE, for good and valuable consideration paid to me by said assignee, the receipt of which is hereby acknowledged, I do hereby assign, sell, transfer and set over unto said assignee the entire right, title and interest in and to said non-provisional application and the inventions and improvements therein disclosed for the United States and all foreign countries and all regular applications claiming the benefit of said non-provisional applications, divisions, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof, said assignee to have and to hold the interests herein assigned to the full ends of the terms of said regular applications claiming the benefit of said non-provisional application and said divisions, reissues, continuations, continuations-in-part, renewals, and/or extensions thereof, respectively, as fully and entirely as the same would have been held and enjoyed by me had this assignment not been made.

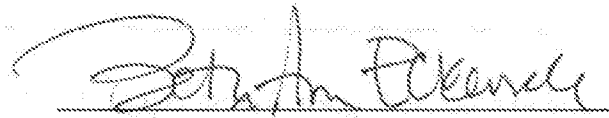

I covenant that I am an inventor of said non-provisional application, and the inventions

and improvements therein disclosed, that the same are unencumbered, that no license has been granted to make, use, or sell the said inventions or improvements or any of them, and that I have the full right to make this assignment.

And for the consideration aforesaid, I agree that I will communicate to assignee or the representative thereof any facts known to me respecting said inventions and improvements, and will, upon request, but without expense to me, testify in any legal proceedings, sign all lawful papers, execute all regular, divisional, reissue, continuation, continuation-in-part, renewal, and/or extension applications, make all rightful oaths, and generally do all other and further lawful acts, deemed necessary or expedient by said assignee or by counsel for said assignee, to assist or enable said assignee to obtain and enforce full benefits from the rights and interests herein assigned.

This assignment shall be binding upon my heirs, executors, administrators, and/or assigns, and shall inure to the benefit of the heirs, executors, administrators, successors, and/or assigns, as the case may be, of said assignee.

EXECUTED March 25, 2018, 2018.
