ASSIGNMENT

WHEREAS, we, Rodney P. Landers, Kevin L. Nieuwsma, Chad R. James, Gregory M. Anderson, and Michael D. Erickson of the City of Woodbury, County of Washington and State of Minnesota; of the City of Lakeville, County of Dakota and State of Minnesota; of the City of Redmond, County of Deschutes and State of Oregon; of the City of Bloomington, County of Hennepin, and State of Minnesota; and of the City of Minneapolis, County of Hennepin, and State of Minnesota, respectively, the undersigned hereunder (collectively the "Assignors"), have made a certain new and useful invention entitled "Wireless Location Assisted Zone Guidance System Incorporating a System and Apparatus for Predicting the Departure of an Animal From a Safe Zone Prior to the Animal Actually Departing" (the "Invention") for which we have made application for Letters Patent of the United States on March 18, 2015 and identified as serial # 14/662,229 (collectively the "Application").

WHEREAS, we, the Assignors warrant and represent that we are the sole and exclusive owners of the entire right, title, and interest in and to the Invention and Application with full and exclusive authority to assign any and all rights, title and interest to the Invention and Application; and

WHEREAS, GPSIP, Inc., a corporation duly organized under the laws of the State of Wisconsin, and doing business at the City of Oshkosh, in the County of Winnebago, and State of Wisconsin (the "Assignee"), is desirous of acquiring the full and exclusive right, title, and interest which the Assignors have or may have in and to the Invention and the Application, including but not limited to any and all continuations and divisions of the Application, and any Letters Patent of the United States and of foreign countries that may be granted for the Invention, and any renewal, any reissue, and any extension of any such Letters Patent, any and all rights in applications for Letters Patent that have been or may be filed for the Invention in any foreign country and all Letters Patent that may be granted on the Invention in any foreign country, and all extensions, renewals and reissues thereof as well as any and all additional rights that may be acquired whatsoever in such Application and Invention;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN:

Be it known that, for and in consideration of the sum of One Dollar (\$1.00) lawful money of the United States, to us in hand paid, the receipt of which is hereby acknowledged, and for other good and valuable considerations, the receipt and sufficiency of which the parties acknowledge, the Assignors, hereby sell, assign, transfer, set, convey, grant, and relinquish exclusively to the Assignee, free and clear of any and all pledges, liens, security interests, or any other encumbrance of any kind whatsoever, all the right, title, and interest in and to the Invention and the Application, as well as such rights in any and all continuations, divisions, in whole or in part or substitute applications, and including, not limited to, any Letters Patent of the United States and of foreign countries that may be granted for the Invention for the entire term of such Letters Patent, including all rights under the International Convention and Treaties, and any renewal, any reissue, and any extension of any such Letters Patent; the same to be held and enjoyed by the Assignee, its successors, legal representatives, and assigns, as fully and entirely as the same would have been held and enjoyed by

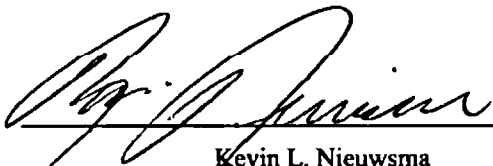

the Assignors if this assignment and sale had not been made; and the Assignors hereby represent, covenant and warrant that the Assignors have the full right and authority to convey the entire interest herein assigned, and that the Assignors have not executed and will not execute any instrument purporting to convey, option, mortgage, lease, license, or otherwise transfer or encumber all or any part of the entire right, title, and interest to anyone other than the Assignee, its successors, legal representatives, and assigns.

The Assignors authorize and request the Commissioner of Patents of the United States to issue any Letters Patent which may be granted upon the aforesaid Application or applications to the Assignee. The Assignors further authorize the Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name, if desired, in any and all foreign countries, and additionally to claim the filing date of the United States application and/or otherwise take advantage of the provisions of the International Convention and Treaties.

IN WITNESS WHEREOF, we have hereunto set our hands and seals this 27 day of March, 2018.
