ASSIGNMENT OF U.S. PATENT & APPLICATIONS

WHEREAS, National University Corporation Tottori University a company organized and existing under the laws of Japan, having a place of business at 101, Koyamacho-Minami 4-chome, Tottori-shi, Tottori-ken, Japan ("Assignor"), is the owner of U.S. Design Application No. 29/614,368.

WHEREAS, INABA RUBBER CO.,LTD, a company organized and existing under the laws of Japan, having a place of business at 3-15, Kyomachibori 3-chome, Nishi-ku, Osaka-shi, Osaka-fu, Japan ("Assignee"), is desirous of acquiring fifty percent (50%) of the right, title, and interest held by National University Corporation Tottori University, in, to, and under US Application Serial No.: 29/614,368; (the National Phase Application(s)) and any patents maturing therefrom, including the right of priority from such Japanese Application(s) from which the National Phase Application(s) claim priority;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that for valuable and legally sufficient consideration, the receipt and legal sufficiency of which are hereby acknowledged by the Assignee, the Assignor has sold, assigned, transferred, and set over unto the said Assignee, fifty percent (50%) of the Assignor's right, title and interest in and to the Patent(s), the applications, and the invention incorporated therein including any divisions, continuations, and continuations-in-part thereof, and in and to any and all Letters Patent of the United States, and countries foreign thereto, which may be granted for said Invention, and in and to any and all priority rights, Convention rights, and other benefits accruing with respect to the filing of applications for patents or securing of patents in the United States and countries foreign thereto and all patent rights thereunder (including, but not limited to, all rights to all inventions disclosed or claimed therein), including the right to make claims for or sue or commence other proceedings to collect past present or future damages or profits or other relief for any infringement or other injury to the Patents (and to retain and enjoy any and all such damages, profits or other relief resulting therefrom), the same to be held and enjoyed by the said Assignee, for its own use and behoof, and for the use and behoove of its successors and assigns as fully and entirely as the same would have been enjoyed by the said Assignor had this assignment and sale not be made.

IN TESTIMONY WHEREOF, the Assignor has caused this Assignment of the United States Patent to be executed by its authorized representative as of the date set forth below,
