ASSIGNMENT

Whereas I, Uri Murad, have co-invented certain new and useful improvements in cooking appliances (hereinafter "the Invention") described in a U.S. Design Patent Application entitled "Egg Cooking Tray", which was filed on 20-MAR-2018 as Application No. 29/641090;

And, whereas I desire to assign a 100% interest in the Invention, the application disclosing the Invention and any patent which may be granted therefore, to Team International Group of America Inc (Hereinafter "Team International") a corporation having its place of business at 1400 NW 159 St # 102, Miami Gardens, FL, USA 33169 (hereinafter referred to as "the Assignee"), and whereas the Assignee is desirous of acquiring the entire right, title and interest in the same;

Now, this indenture witnesseth, for the sum of one dollar (\$1.00) and other good and valuable consideration, the receipt whereof is hereby acknowledged, I hereby assign, sell and transfer a 100% undivided interest in said invention, said application, including any divisions, continuations, and continuations-in-part thereof, and in and to any patents of the United States, and countries foreign thereto, which may be granted for said Invention, and in and to any and all priority rights, Convention rights, and other benefits accruing or to accrue to us with respect to the filing of applications for patents or securing of patents in the United States and countries foreign thereto, unto the Assignee;

And I hereby authorize and request the Director of the United States Patent and Trademark Office to issue said United States patent to the Assignee, as Assignee of the whole right, title and interest thereto;

And I further agree to execute all necessary and lawful future documents, including assignments in favor of the Assignee, or their designees as assignees or their assignees may from time-to-time present to me in order to perfect title in the Invention, modifications, and improvements in the Invention, applications and patents of the United States and countries foreign thereto;

And I further agree to sign and properly execute such necessary and lawful papers for application for foreign patents, for filing divisions, continuations and continuations-in-part of said application for patent, and/or, for obtaining any reissue or reissues of any patents that may be granted for the Invention, as the Assignee thereof shall hereafter require and prepare at its own expense.

Executed this 4th day of April, in the year 20 18
at 1400 NW 159 St Miami Gardens FL - 33169

Uri Murad

Before me personally appeared Uri Murad, who acknowledged the foregoing instrument to be a free act and deed and also represented that he or she is authorized to execute the same.
