ASSIGNMENT AND AGREEMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, we, Ravi Ayyasamy, Brahmananda R. Vempati, Krishnakant M. Patel, Bibhudatta Biswal, Shantanu Konwar, and Vadiraj Villivalam have sold, assigned and transferred, and do hereby sell, assign and transfer, unto KODIAK NETWORKS INC., a corporation of the State of Texas, having its principal office at 1501 10th Street, Suite 130, Plano, Texas, 75074 United States of America, and its successors, assigns, and legal representatives, the entire right, title and interest for the United States of America in and to certain inventions relating to improvements in "System and Method for Push-to-Talk (PTT) in High Latency Networks," filed on September 27, 2017 as Serial Number 15/717,742, described, illustrated and claimed in an application for Letters Patent of the United States of America executed by us on the dates indicated by our signatures below, together with the entire right, title and interest in and to the application, and in and to Letters Patent which may be issued upon the application, and upon any non-provisional, division, extension, continuation, re-examination, or reissue thereof.

We hereby also sell, assign and transfer unto KODIAK NETWORKS INC., the entire right, title and interest in and to the invention and in and to applications for Letters Patent therefor in all countries foreign to the United States of America, including all rights under any and all international conventions and treaties in respect of the invention and the applications for Letters Patent in foreign countries, and we further authorize KODIAK NETWORKS INC. to apply for Letters Patent in foreign countries directly in its own name, and to claim priority of the filing date of the application for Letters Patent of the United States of America under the provisions of any and all international conventions and treaties.

We hereby authorize and request the Commissioner of Patents of the United States of America to issue Letters Patent upon the aforesaid application, division, extension, continuation or reissue, to KODIAK NETWORKS INC., for the sole use and benefit of KODIAK NETWORKS INC., its successors, assigns and legal representatives, to the full end of the term for which Letters Patent may be granted, the same as they would have been held and enjoyed by me had this assignment not been made, and we hereby authorize and request the equivalent authorities in foreign countries to issue the patents of their respective countries to KODIAK NETWORKS INC.

We agree that, when requested, we will, without charge to KODIAK NETWORKS INC., but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for the inventions in any and all countries and for vesting title thereto in KODIAK NETWORKS INC., its successors, assigns and legal representatives or nominees.

We covenant with KODIAK NETWORKS INC., its successors, assigns and legal representatives, that the interest and property hereby conveyed is free from all prior assignment, grant, mortgage, license or other encumbrance.

Ravi Ayyasamy
