ASSIGNMENT

ASSIGNOR: Rajesh Manika Ravindran

ASSIGNEES: Andre Arzumanyan  
David Arzumanyan

TITLE: Intelligent Apparatus and Method for Responding to Text Messages

ATTORNEY DOCKET: 4416/1001

APPLICATION NO.: 15/947,084

FILING DATE: April 6, 2018

Assignor is a joint inventor of the above invention (the "Invention") described in a United States patent application (the "Application") bearing the above attorney docket number and having as a title the above name for the Invention. The Application has a Patent and Trademark Office filing date and application number as indicated above, or if no filing date and application number are shown, has a Declaration executed by Assignor contemporaneously with this Assignment.

For valuable consideration, receipt of which is acknowledged, Assignor hereby assigns to Assignees (which term shall include Assignees' successors and assigns), all of Assignor's right, title and interest in the Invention, all improvements therein, the Application and its priority Indian Application No. 201841008520 filed March 8, 2018 and all priority rights arising from the Application and its priority application, and any patents, and any reissues and extensions thereof, which issue in any country upon any patent applications which correspond with any of the following: the Application, the Indian Application No. 201841008520, any divisional, continuation-in-whole, or substitute United States application which is based on the Application; or any continuation-in-part United States application (including divisions, continuations-in-whole or -in-part, and substitutions thereof or therefor) based in-part on any of the above described applications; and Assignees accept that assignment.

Assignor further agrees that such Assignor and Assignor's heirs and legal representatives will, without further consideration, cooperate with Assignees in the prosecution of all of the above applications, execute, verify, acknowledge and deliver all such further papers, including applications for patents and for reissues, extensions, and instruments of assignment and transfer thereof, and will communicate any facts known to Assignor relating to the Invention, to obtain or maintain or enforce patents for the Invention and improvements therein in any and all countries and to vest title thereto in Assignees. Each Assignor further agrees that such Assignor will, without further compensation to Assignor during the term of such Assignor's employment by Assignees and thereafter for reasonable compensation as determined by Assignees, perform such other acts as may be reasonably required when requested by Assignees, including attending depositions, preparing and executing declarations and affidavits and testifying as a witness, to obtain or maintain or enforce patents for the Invention and improvements therein in any and all

countries and to vest title thereto in Assignees.

Assignor hereby authorizes and requests Sunstein Kann Murphy & Timbers LLP to supply any missing patent/application identification information or correct any errors in the patent/application identification information provided above, whether discovered prior to or after recordation.

By executing this Assignment, Assignees accept the assignment set forth above.

Assignor and Assignees agree that this instrument may be executed in any number of counterparts, each of which shall be deemed to be an original and all of which together shall constitute one and the same agreement; and that an original signature or a copy thereof transmitted by facsimile or by PDF shall constitute an original signature for purposes of this instrument.
