**ASSIGNMENT (CORRECTION AND CONFIRMATION)**

WHEREAS, Paul Jonathan Matts and Ankur Purwar ("INVENTORS") are inventors of the U.S. patent applications listed in Attachment 1 ("PATENTS"), and the provisional patent applications to which the PATENTS claim priority;

WHEREAS, Martin S Maltz, Raja Baia, Matthew Adam Shreve, Luisa Fernanda Polania-Cabrera, and Stephen C. Morgana are also inventors of one or more of the PATENTS, and whose right, title and interest in the PATENTS are not the subject of this Assignment (Correction and Confirmation);

WHEREAS, Xerox Corporation, a New York corporation with offices at 201 Merritt 7, Norwalk CT 06851-1056 ("XEROX") acquired all right, title and interest of the INVENTORS in, to and under the PATENTS by assignment recorded in the United States Patent and Trademark Office on the dates and the reel/frame numbers listed in Attachment 2 ("RECORDED ASSIGNMENTS");

WHEREAS, The Procter & Gamble Company, with offices at General Offices, One Procter & Gamble Plaza, Cincinnati, Ohio 45202 ("PROCTER & GAMBLE") desires to acquire all right, title and interest of the INVENTORS in, to and under the PATENTS;

NOW, THEREFORE, for good and valuable consideration the sufficiency of which is acknowledged:

The parties confirm the RECORDED ASSIGNMENTS of the PATENTS by the INVENTORS to XEROX was by mistake and contrary to the intentions of the parties; instead, the rights of the INVENTORS in, to and under the PATENTS should be owned by PROCTER & GAMBLE.

A. Correction of Assignment by XEROX

Accordingly now, XEROX hereby transfers and assigns to PROCTER & GAMBLE, its successors, and assigns, XEROX's right, title, and interest in the PATENTS assigned to it by the INVENTORS that XEROX acquired under the RECORDED ASSIGNMENTS, which are to be held and enjoyed by PROCTER & GAMBLE as fully and entirely as the same would have been held and enjoyed by XEROX if this mistake had not been made.

B. Confirmation of Assignment by INVENTORS

In the event the INVENTORS are held to retain any legal, equitable, or other rights that PROCTER & GAMBLE would have retained if the INVENTORS executed the RECORDED ASSIGNMENTS in favor of PROCTER & GAMBLE instead of XEROX ("RETAINED INTEREST"), the INVENTORS hereby quitclaim to PROCTER & GAMBLE consistent with the RECORDED ASSIGNMENTS all such RETAINED INTEREST in the PATENTS.

IN WITNESS WHEREOF, the parties have caused this Assignment (Correction and Confirmation) to be executed.
