ASSIGNMENT

WHEREAS, We, **Stephen R. BURNS** of 2720 Portabella Lane, Cumming, GA 30041, a citizen of the United States, **Alex SORIANO** of 912 Huntcliff Village Ct., Sandy Springs, GA 30350, a citizen of El Salvador and **Blake D. POMEROY** of 5763 Glen Oak Turn, New Market, MD 21774, a citizen of the United States and **Cary COSTELLO** of 475 Buckhead Ave., Apt. 3404, Atlanta, Georgia 30305, a citizen of the United States, hereinafter "Assignors", have invented new and useful improvements in a "**COMPACT JUMPER**" for which U.S. Non-Provisional Patent Application Serial No. 14/941,997 was filed November 16, 2015, which is a continuation-in-part of U.S. Non-Provisional Patent Application Serial No. 14/173,066 filed February 5, 2014, now U.S. Patent No. 9,185,994, which claims the priority of U.S. Provisional Patent Application Serial No. 61/761,277 filed February 6, 2013 and U.S. Provisional Patent Application Serial No. 61/864,156 filed August 9, 2013 and;

WHEREAS, **KIDS II, INC.** whose post-office address is 3333 Piedmont Road, Suite 1800, Atlanta, Georgia 30305, hereinafter "Assignee", is desirous of acquiring the entire interest in the same;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00), the receipt and sufficiency of which is hereby acknowledged, and for other good and valuable consideration, Assignors hereby do sell, assign and transfer unto Assignee the entire right, title and interest in and to said inventions and applications in the United States and throughout the world, including without limitation, any letters patent which

may issue thereon or therefor, and any subsequent patent(s) or application(s) claiming priority to the above-identified applications, including any non-provisional U.S. patent application(s) claiming priority under 35 U.S.C. § 119(e), any foreign or international counterpart application(s) for patent or utility model, any reissue, reexamination, division, continuation-in-part, extension or continuation application(s), all rights of priority under any international treaty or convention arising from said applications, and the right to sue and collect damages for any past, present, or future infringement; the same for Assignee's legal representatives and assigns, as fully and entirely as the same would have been held by Assignors had this assignment and sale not been made;

AND, we hereby bind ourselves, our heirs, legal representatives, administrators and assigns properly to execute without further consideration any and all applications, petitions, oaths, declaration and assignments or other papers and instruments which may be necessary in order to carry into full force and effect the sale, assignment, transfer and conveyance hereby made or intended to be made and generally do everything possible to aid Assignee, its legal representatives and assigns to obtain and enforce proper protection for said invention in all countries throughout the world.

Assignors acknowledge that the attorneys and agents of the law firm of Gardner Groff Greenwald & Villanueva, PC do not personally represent Assignor or Assignor's legal interests, but instead represent the interests of Assignee, and cannot provide legal advice to Assignors with respect to this Assignment. Assignors further acknowledge his/her right to obtain independent legal counsel.

EMPLOYMENT AGREEMENT

THIS AGREEMENT, made and entered into effective as of 13 day of July, 2012, is by and between Kids II, Inc. (hereinafter called "Company"), and Alex Soriano (hereinafter called "Employee").

WITNESSETH:

[REDACTED]

[REDACTED]

24. Ownership Of Inventions and Intellectual Property. Employee will promptly and fully disclose in writing to the Company all inventions, designs, concepts, discoveries, developments, improvements, and innovations, whether or not they merit patent, trademark, or copyright protection (hereinafter called "inventions") conceived of or made by Employee, either solely or in concert with others, during the period of Employee's employment with the Company, whether or not made or conceived during work hours which:

- (a) relate in any manner to the existing or contemplated business or research activities of the Company, or
- (b) are suggested by or result from Employee's work at the Company, or
- (c) result from the use of the Company's time, materials, or facilities.

Employee will keep and maintain adequate written records of all such inventions at all stages thereof, in the form of notes, sketches, drawings, photographs, printouts, and reports relating thereto. These records are and shall remain the property of, and be available to, the Company at all times.

Employee further acknowledges that all such inventions discussed in the preceding paragraphs shall be the exclusive property of the Company. As such, Employee hereby assigns to the Company Employee's entire right, title, and interest in and to all such inventions which are the property to the Company, and to all unprotected inventions that relate to the Company's juvenile product business which Employee now owns. Employee will, at the Company's request and expense, execute specific transfers, assignments, documents or other instruments and take such further action as may be considered necessary by the Company at any time during or subsequent to Employee's employment with the Company to obtain and defend any intellectual property rights in any and all countries and vest complete title and ownership to such inventions to the Company or its assignees.

[REDACTED]

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the day and year first above.
