ASSIGNMENT

WHEREAS, I, Mark Lewis, of Union, Oregon, have invented a certain invention, as described in the U.S. Provisional Patent Application No. 62/451,418, filed on January 27, 2017, entitled "CARRIAGE FOR A TRACK DRIVE VEHICLE," which application is referred to as "the patent application," and

WHEREAS, Barreto Manufacturing, Inc., a corporation organized under the laws of the State of Oregon, having a place of business at 66498 Oregon Hwy 203, La Grande, OR, 97850, desires to acquire an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I hereby sell, assign and transfer to Barreto Manufacturing, Inc. the full and exclusive right, title and interest in and to said invention, patent application and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, patent application and patents in this or any foreign country, and all corresponding non-provisional applications, divisions, continuations, continuations-in-part, reissues and extensions thereof, to be held and enjoyed by Barreto Manufacturing, Inc., for its own use and benefit, and for its successors, and assigns, to the full end of the term for which patents may be granted by the United States or any foreign country, as fully and entirely as the same would have been held by me had this assignment and sale not been made, and covenant that I have full right so to do, and agree that I will communicate to Barreto Manufacturing, Inc., or its successors and assigns, any facts known to me respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and do everything reasonable to aid Barreto Manufacturing, Inc., its successors and assigns, to obtain and enforce proper patent protection for said invention in the United States or any foreign country.

I confirm that at the time the invention was made, I was under an obligation to assign the invention to Barreto Manufacturing, Inc.

I hereby grant the law firm of Klarquist Sparkman, LLP, the power to insert on this Assignment any further information which may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.

Executed at the place and date opposite my signature below.
