ASSIGNMENT

For good and valuable consideration, I (We),

Richard Watson, residing at 195 Cross Street, Norwell, MA 02061-1417, a citizen of UK;

Justin Cumming, residing at 24 Candlewood Drive, Topsfield, MA 01983-1904, a citizen of US;

hereafter individually or collectively referred to as "Assignor(s)";

(I) Hereby, acknowledge having previously assigned, sold, and transferred to **Essential Inc.**, a corporation organized and existing under the laws of Massachusetts, having its principal place of business at 143 South Street, Sixth Floor, Boston, MA 02111-2862, hereinafter "Assignee," its successors, assigns, and legal representatives, or to a predecessor of Assignee, pursuant to:

(A)

(i) the laws of the United States of America or

(ii) a Patent & Secrecy Agreement, or similar legal document, such as, without limitation, an employee agreement executed at the time of entering into the employment of, or executed as a condition of continuing employment with, the Assignee or a predecessor of the Assignee, the entire right, including any and all priority rights, title, and interest, in and for the United States and all foreign countries, in and to any and all inventions or improvements that are disclosed in an invention disclosure and/or in the below-identified documents currently filed with this Assignment, already filed or granted for Letters Patent (in which case, any provision of the subject Assignment that is in conflict with, or is in addition to, any provision in the prior agreement(s) or assignment(s), then this Assignment shall govern, take precedence, and be of legal effect), or

(B)

(i) to the extent such laws of the United States of America or such Patent & Secrecy Agreement or similar legal document failed or fails, in whole or part, to have assigned, sold, or transferred the entire right (including priority rights), title, and interest, in and for the United States and all foreign countries, in and to all inventions or improvements that are disclosed in the below-identified application(s), or pending application(s), or granted Letters Patent, or

(ii) if no such agreement(s) exist assigning, selling, or transferring any such right (including priority rights), title, or interest; then for good and valuable consideration, Assignor(s) now and hereby, effective Nunc Pro Tunc on the filing date of the below identified patent application(s), pending patent application(s), or granted Letter Patent(s), assign, sell, and transfer(s) to Assignee, its successors, assigns, and legal representatives, the entire right, (including all priority rights), title, and interest in and for the United States and all foreign countries, in and to any and all inventions and/or improvements that are disclosed in the following identified patent application(s), pending patent application(s), or granted Letter Patent(s)

Patent Application Title: SYSTEM INCLUDING MULTIPLE INSTRUMENT MODULES
AND ARRANGEMENT THEREOF
Filing Date(s): June 27, 2016
Filing Number(s): 29/569,422
Internal Case Number(s): 2016M08760US

and in and to said application(s), or granted patent(s), and all applications claiming priority to said application or granted patent(s), including, without limitation, all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent that have been, or shall be, filed in the United States and all foreign countries on any of the inventions and/or improvements; and in and to all original and reissued patents that have been, or shall be, filed in the United States and all foreign countries on the inventions and/or improvements;

(II) Agree that said Assignee may apply for, and receive, Letters Patent for said inventions and/or improvements in its own name; and that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns, and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said inventions and/or improvements; execute all rightful oaths, assignments, powers of attorney, and other papers; communicate to said Assignee, its successors, assigns, and legal representatives all facts known to the undersigned relating to said inventions and/or improvements, and the history thereof; and generally do everything possible that said Assignee, its successors, assigns, or legal representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said inventions and/or improvements, and for vesting title to said inventions and/or improvements, and all applications for patents, and all patents on said inventions and/or improvements, in said Assignee, its successors, assigns, and legal representatives; and

(III) Covenant with said Assignee, its successors, assigns, and legal representatives that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
