## ASSIGNMENT

WHEREAS, I, Matthew Richard Savare (citizen of the United States), residing at 33 Blue Ridge Circle, Scotch Plains, NJ 07076, has invented, developed, and/or have rights in the invention(s) (hereinafter "Invention") disclosed in (i) a provisional United States Patent application entitled: "System and Method for Tying Audio and Video Watermarks of Live and Recorded Events for Simulcasting Alternative Audio Commentary to Audio Channel or Second Screen" filed on October 2, 2013 and accorded U.S. Application No. 61/885,569; (ii) the non-provisional United States Patent application claiming the benefit of the aforementioned provisional Patent application filed on March 20, 2014 and accorded U.S. Application No. 14/220,586; and (iii) PCT Patent application filed on September 17, 2014 and accorded International Application No. PCT/US14/55992 (collectively, the "Applications"); and

WHEREAS, Fansmit, Inc., a corporation organized under the laws of the United States of America and having a place of business at c/o Lowenstein Sandler LLP, 65 Livingston Avenue, Roseland, New Jersey 07068 (hereinafter "Assignee"), is desirous of acquiring the entire right, title, and interest in and to the Invention and in and to the Application.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I have sold, assigned, transferred and set over, and do hereby sell, assign, transfer and set over to Assignee and its successors and assigns, my entire right, title and interest, worldwide, in and to the Invention and the Applications, and all patents and applications, worldwide, claiming priority to and/or benefit of, directly or indirectly, or based in whole or in part on, said Application and/or said Invention, including continuations, continuations-in-part, divisionals, reissues, reexaminations, renewals, substitutes, and extensions thereof, and any international and regional applications, based in whole or in part on any of the aforesaid applications or in whole or in part on said Inventions, and all priority rights under the International Convention for the Protection of Industrial Property for every member country, and all utility-model registrations, inventor's certificates, and the like heretofore or hereafter filed, worldwide, for the Invention, and in and to any and all patents (including all extensions, renewals, reexaminations and reissues thereof), worldwide, which have been or may be granted on any of the aforesaid Applications or on said Inventions or any parts thereof.

AND I HEREBY covenant and agree for myself and my heirs, executors and administrators that I will communicate to Assignee any facts known to me respecting the Inventions and the aforementioned Applications, sign all lawful papers, testify in any legal proceeding, make all rightful oaths, and take any other actions that may be necessary or desirable to secure to Assignee its right, title, and interest in and to the aforementioned patents, Applications and Inventions, and generally do everything possible to aid Assignee to obtain and enforce proper patent protection for the Inventions and the aforementioned patents and Applications;

AND I HEREBY agree to execute without further consideration any further documents and instruments which may be necessary, lawful and proper in the prosecution of said Applications, or in the preparation or prosecution of any continuation, continuation-in-part, divisional, substitute, renewal, reexamination or reissue application or in any amendments, extensions or interference proceedings, or other applications for patents or similar rights of any region or country, that may be necessary to secure

to Assignee its interest and title in and to said Inventions or any parts thereof, and in and to said Applications and patents;

AND I HEREBY authorize and request our agents, Lowenstein Sandler LLP, whose address is 65 Livingston Avenue, Roseland, NJ 07068, to insert hereon any identification necessary or desirable for recordation of this document, including the filing date and application number of said Application when known;

AND I HEREBY covenant for myself and my legal representatives, and agree with said Assignee, its successors and assigns, that I have the full right to convey the entire interest herein assigned, and that I have granted no right or license to make, use, sell or offer to sell said Invention, to anyone except said Assignee, that prior to the execution of this deed, our right, title and interest in said Invention and said Application had not been otherwise encumbered, and that I have not and will not execute any instrument in conflict therewith;

AND I HEREBY authorize and request the United States Commissioner of Patents and Trademarks, and any officials of foreign countries whose duty is to issue patents on applications as aforesaid, to issue any and all letters patents which may be granted upon said United States and foreign applications or upon the Invention to the Assignee.

IN WITNESS WHEREOF, we have hereunto set our hands and seals.

## SCHEDULE A - ASSIGNMENT

WHEREAS, I, Jeffrey Sherwin (citizen of the United States), residing at 3 Oxford Lane, Scarsdale, NY 10583, have invented, developed, and/or have rights in the inventions (hereinafter "Inventions") disclosed in (i) a provisional United States Patent application entitled: "System and Method for Tying Audio and Video Watermarks of Live and Recorded Events for Simulcasting Alternative Audio Commentary to Audio Channel or Second Screen" filed on October 2, 2013 and accorded U.S. Application No. 61/885,569; (ii) the non-provisional Patent application claiming the benefit of the aforementioned provisional Patent application; and (iii) the PCT Patent application filed on September 17, 2014 and accorded International Application No. PCT/US14/55992 (collectively, the "Applications"); and

WHEREAS, Fansmit, Inc., a corporation organized under the laws of the United States of America and having a place of business at c/o Lowenstein Sandler LLP, 65 Livingston Avenue, Roseland, New Jersey 07068 (hereinafter "Assignee"), is desirous of acquiring the entire right, title, and interest in and to the Inventions and in and to the Applications.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over to Assignee and its successors and assigns, my entire right, title, and interest, worldwide, in and to the Invention and the Applications, and all patents and applications, worldwide, claiming priority to and/or benefit of, directly or indirectly, or based in whole or in part on, said Applications and/or said Inventions, including continuations, continuations-in-part, divisionals, reissues, reexaminations, renewals, substitutes, and extensions thereof, and any international and regional applications, based in whole or in part on any of the aforesaid applications or in whole or in part on said Inventions, and all priority rights under the International Convention for the Protection of Industrial Property for every member country, and all utility-model registrations, inventor's certificates, and the like heretofore or hereafter filed, worldwide, for the Inventions, and in and to any and all patents (including all extensions, renewals, reexaminations, and reissues thereof), worldwide, which have been or may be granted on any of the aforesaid applications or on said Inventions or any parts thereof.

AND I HEREBY covenant and agree for myself and my heirs, executors, and administrators that I will communicate to Assignee any facts known to me respecting the Inventions and the aforementioned Applications, sign all lawful papers, testify in any legal proceeding, make all rightful oaths, and take any other actions that may be necessary or desirable to secure to Assignee its right, title, and interest in and to the aforementioned patents, Applications and Inventions, and generally do everything possible to aid Assignee to obtain and enforce proper patent protection for the Inventions and the aforementioned patents and Applications;

AND I HEREBY agree to execute, without further consideration, any further documents and instruments which may be necessary, lawful, and proper in the prosecution of said Applications, or in the preparation or prosecution of any continuation, continuation-in-part, divisional, substitute, renewal, reexamination, or reissue application or in any amendments, extensions or interference proceedings, or other applications for patents or similar rights of any region or

country, that may be necessary to secure to Assignee its interest and title in and to said Inventions or any parts thereof, and in and to said Applications and patents;

AND I HEREBY authorize and request our agents, Lowenstein Sandler LLP, whose address is 65 Livingston Avenue, Roseland, NJ 07068, to insert hereon any identification necessary or desirable for recordation of this document, including the filing date and application number of said Applications when known;

AND I HEREBY covenant for myself and my legal representatives, and agree with said Assignee, its successors, and assigns, that I have the full right to convey the entire interest herein assigned, and that I have granted no right or license to make, use, sell, or offer to sell said Inventions, to anyone except said Assignee, that prior to the execution of this deed, my right, title, and interest in said Inventions and said Applications had not been otherwise encumbered, and that I have not and will not execute any instrument in conflict therewith;

AND I HEREBY authorize and request the United States Commissioner of Patents and Trademarks, and any officials of foreign countries whose duty is to issue patents on applications as aforesaid, to issue any and all letters patents which may be granted upon said United States and foreign applications or upon the Inventions to the Assignee.

IN WITNESS WHEREOF, we have hereunto set our hands and seals. Jeffrey Sherwin
