### ASSIGNMENT OF WORLDWIDE RIGHTS

**WHEREAS**, Andrew Baker, a citizen of The United States of America, residing at 6517 Rosecommon Drive, Norcross, GA 30092; Russell F. Ross, a citizen of The United States of America, residing at 178 Watson Circle SC, Atlanta, GA 30317; and Luke Hagan, a citizen of The United States of America, residing at 2121 6<sup>th</sup> Avenue, N2202, Seattle, WA 98121, have made an invention entitled:

#### **"DRUG DELIVERY DEVICE"**

as described in the International Patent Application filed on February 28, 2014 under the Patent Cooperation Treaty (PCT) at the International Bureau of the World Intellectual Property Office and bearing International Patent Application No. PCT/IB2014/059344, which claims priority to United States Provisional Patent Application No. 61/770,569 filed on February 28, 2013; and

**WHEREAS**, Kimberly-Clark Worldwide, Inc., a corporation of the State of Delaware, having offices at 2300 Winchester Road, Neenah, Wisconsin 54956, United States of America, as assignee, is desirous of securing the entire right, title and interest in and to this invention in all countries throughout the world, and in and to the application for this invention and any patent to be issued upon this application in any country;

**NOW, THEREFORE**, be it known that for good and valuable consideration the receipt of which from assignee is hereby acknowledged, we, as assignors, have assigned, transferred, and set over, and do hereby assign, transfer, and set over unto the assignee, its lawful successors and assigns, our entire right, title, and interest in and to this invention and this application, and all rights to claim priority on the basis of such application, and all applications for patents which may hereafter be filed for this invention in any country or jurisdiction and all patents which may be granted on this invention in any such country or jurisdiction, and all extensions, renewals, divisions, continuations and reissues thereof, and we hereby authorize and request any official of any country whose duty it is to issue patents on applications as described above, to issue all patents for this invention to assignee, its successors and assigns, in accordance with the terms of this Agreement.

AND, WE HEREBY covenant that we have the full right to convey the interest assigned by this Assignment, and we have not executed, and will not execute any agreement in conflict with this Assignment,

AND, WE HEREBY further covenant and agree that we will, without further consideration, communicate with assignee, its successors and assigns, any facts known to us respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title of this invention in said assignee, its successors and assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention any country, it being understood that any expense incident to the execution of such papers shall be borne by the assignee, its successors and assigns
