**ASSIGNMENT**

In consideration of the sum of at least ONE DOLLAR to each of us paid, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, we the undersigned hereby sell, assign, transfer and convey unto Appleton Papers Inc., a Corporation according to the laws of the state of Delaware having a principal address at 825 E. Wisconsin Ave., Appleton, Wisconsin 54911, its successors and assigns, the entire right, title and interest for the United States and the territories thereof, and for all foreign countries including the right to claim priority under the laws of all countries or under the International Convention or other present or future conventions between or among countries, in and to our invention or inventions disclosed in our application for United States Letters Patent entitled

SECURITY PAPER AND METHODS FOR PRODUCTION THEREOF

and executed concurrently herewith, and in and to said application and in and to any patent which may issue on said application, and to any other application filed in the United States or elsewhere, including divisions, continuations, and patents of importation, and any patents resulting therefrom, aimed to cover any invention disclosed in said above-specified application, and any reissue, extension or renewal thereof.

We hereby authorize and request the Patent Office Officials in the United States and any and all foreign countries to issue any and all of said Letters Patent, when granted, to said Appleton Papers Inc. as the assignee of our entire right, title and interest in and to the same, for the sole use and enjoyment of said Appleton Papers Inc. its successors and assigns.

And we hereby bind ourselves, our heirs, legal representatives, administrators, and assigns to communicate any facts and provide evidence to said Appleton Papers Inc. or its representatives known to us respecting said invention or inventions and to testify in any legal proceeding, sign all papers, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to said Appleton Papers Inc., make all oaths, petitions, or execute other papers and instruments and generally do everything which in the opinion of counsel for said Appleton Papers Inc., its successors and assigns, may be required or necessary to obtain and enforce protection for said invention or inventions in the United States and in any and all foreign countries, and to carry into full force and effect the sale, assignment and transfer hereby made or agreed to be made.
