<b>Assignment of Rights, Title and Interest in Invention</b>	<b>Docket No.</b> TP.2769.USN1 (TP110121US)
--	--

Whereas, the above-identified Assignor states that it is the current assignee of the entire right, title, and interest in the above-identified patent application(s) and/or patent(s) (hereinafter referred to as "Invention") by virtue of an assignment from the inventor(s) of the above-identified invention. The assignment was recorded in the United States Patent and Trademark Office at **Reel 032542; Frame 0426, recorded on 27 March 2014**, or for which a copy therefore is attached;

And, whereas the Assignor desires to assign its above-identified rights, title and interest in the invention to the above-identified Assignee;

Now, this indenture witnesseth, that for good and valuable consideration, the receipt whereof is hereby acknowledged;

The Assignor does hereby assign, sell and transfer its above-identified rights, title and interest in said invention, said application(s) as identified above, including any divisions, continuations, and continuations-in-part thereof, and in and to any and all Letters Patent of the United States, and countries foreign thereto, which may be granted or have granted for said invention, and in and to any and all reissues and reexaminations thereof, and in and to any and all priority rights, Convention rights, and other benefits accruing or to accrue to us with respect to the filing of applications for patents or securing of patents in the United States and countries foreign thereto, unto said Assignee;

And whereas the Assignor does hereby authorize and request the Director of the United States Patent and Trademark Office to issue any United States Letters Patent which may issue for said invention to said Assignee, as assignee of the whole right, title and interest thereto;

And whereas the Assignor does further agree to sign and execute all necessary and lawful future documents, including applications for foreign patents, for filing divisions, continuations and continuations-in-part of said application for patent, and/or for obtaining any reissue or reissues of any Letters Patent which may be granted for my aforesaid invention, as the Assignee or its Designee(s) may from time to time require and prepare at its own expense.
