ASSIGNMENT

WHEREAS, Vic Merjanian, has invented a new and useful SYSTEMS AND METHODS FOR PROVIDING AUGMENTED REALITY EMERGENCY RESPONSE SOLUTIONS for which a United States Utility patent application was filed on November 28, 2017 as U.S. Patent Application No. 15/825,094 ; and

WHEREAS, Assignor believes himself to be an original and co-inventor of the inventions disclosed and claimed in the United States utility patent application and now issued patent; and

WHEREAS, Titan Health & Security Technologies, Inc., having a place of business at 500 Newport Center Drive, Suite 950, Newport Beach, CA 92660 ("Assignee") desires to acquire by formal, recordable assignment, Assignor's entire right, title and interest in and to the inventions, the application, and any Letters Patent that might be granted for the inventions in the United States and throughout the world.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, said Assignor have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto said Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions, application for Letters Patent, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor and thereon, and in and to any and all divisions, continuations and continuations-in-part of said application, or reissues or extensions of said Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by said Assignee, for its own use and the use of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the Assignor, had this sale and assignment not been made.

AND for the same consideration, said Assignor hereby covenants and agree to and with said Assignee, its successors, legal representatives and assigns, that said Assignor will, whenever counsel of said Assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said inventions, or said application for Letters Patent, or any proceeding in connection with Letters Patent for said inventions in any country, including interference proceedings, is lawful and desirable, or that any division, continuation or continuation-in-part of any application for Letters Patent or any reissue or extension of any Letters Patent, to be obtained thereon, is lawful and

desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for said inventions, without charge to said Assignee, its successors, legal representatives and assigns, but at the cost and expense of said Assignee, its successors, legal representatives and assigns.

AND for the same consideration, said Assignor hereby covenant and agree to and with said Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, said Assignor is a lawful owner of and has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

Assignor authorizes and request the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for the inventions, whether on the application or on any subsequently filed division, continuation, continuation-in-part or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest in the inventions.
