ASSIGNMENT

I, DAVID G. ALDRICH, of 3900 White Settlement Rd. #90, Fort Worth, Texas 76107, a citizen of the United States of America, have with another invented ABDOMINAL SIMULATOR AND METHODS. This is an Assignment of the following rights, title and interest (check all that apply):

- United States of America rights, title and interest in the invention
- Foreign rights, title and interest in the invention
- An application to the Commissioner for Patents of the United States of America filed herewith
- United States Provisional Patent Application Serial No. 61/915,844 filed on December 13, 2013.
- United States Patent Application Serial No. _____ filed on _____
- United States Patent No(s). _____
- International (PCT) Patent Application Serial No. _____ filed on _____
- Other (specify): _____

I was employed by ACDET LLC (hereinafter ACDET) established under the laws of the State of Texas at the time the invention was made. The conditions under which said invention was made are such as to entitle ACDET, having a place of business at 1120 South Freeway, Fort Worth, Texas 76104, to my entire right, title, and interest in the invention, in the United States and all other countries throughout the world.

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, the undersigned, have voluntarily sold, assigned, and transferred and do voluntarily sell, assign, and transfer to ACDET, and successors and assigns, my right, title and interest in and to the invention(s) disclosed in said application throughout the world, including the United States and its territorial possessions and in all foreign countries, including my rights to claim priority, in and to any and all improvements which are disclosed in said application. This includes an assignment of my rights to all Letters Patent that may be granted on the invention in the United States of America and all countries throughout the world, and any divisional, renewal, continuation in whole or in part, substitution, conversion, reexamination, reissue, prolongation or extension thereof; and my right to claim priority from the patent application as provided for by United States law, the Patent Cooperation Treaty, the European Patent Convention, the Paris Convention, or other applicable law.

To the extent of my rights, I have authorized ACDET to file and prosecute this patent application, as well as any corresponding international or national applications that claim priority from it. To the extent of my rights, I acknowledge that ACDET has the right to select attorneys or agents of its choice to prosecute at its discretion these applications on its behalf.

I warrant that there are no outstanding assignments, grants, liens, encumbrances, or agreements either written, oral, or implied that will impair, diminish, limit, or abridge the interest herein conveyed at the time of the execution of the present assignment. I shall not communicate nor cooperate in any manner with any third party, other than ACDET, my co-inventor, and his assign, that claims any rights in and to said invention(s) and said application.

I also hereby assign my rights, title and interest to any improvements related to said invention(s) to ACDET and agree to promptly and fully communicate to ACDET any facts and information known to me respecting any improvements related to said invention(s) and said application while any patent application anywhere in the world is still pending that claims priority, whether directly or indirectly, from said invention(s) or said application(s). I will maintain any such facts and information in confidence and will only reveal such facts and information to ACDET, its assigns, my co-inventor, or his assign.

I also covenant that I will communicate to ACDET, its representatives, assigns or agents, any facts known to me respecting said invention(s) or said application(s), and to testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, provide all requested documents, and do everything reasonably possible to aid ACDET and its assigns to obtain and enforce proper patent protection for said invention(s) or said application(s) in the United States or any foreign country. These provisions are binding upon my heirs, legal representatives, administrators and assigns.

I grant ACDET, the power to insert on this Assignment any further information that may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.

IN TESTIMONY WHEREOF, the Assignor has signed his name on the date indicated.
