ASSIGNMENT – WORLDWIDE

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Storage Technology Corporation (referred to herein as the “ASSIGNOR”) hereby assigns, transfers, and set over to:

Oracle America, Inc.

having the following address:

500 Oracle Parkway, M/S 50P7
Redwood Shores, CA 94065

its successors, and assigns, the entire right, title, and interest, worldwide, in and to the following six (6) patent applications:

Invoke Matter Number	Filing Date	Application Number

for which the undersigned owns an application for patent in the United States of America, together with said patent application, all divisionals, continuations, continuations-in-part, reissues, and extensions thereof, and all Letters Patent (domestic and foreign) which may be granted therefor. Such interest represents the entire ownership of said applications and Letters Patent when granted and is to be owned by **Oracle America, Inc.**, its successors, and assigns, or their legal representatives, for the full and entire term for which such Letters Patent may be granted or extended, as fully and entirely as the same would have been enjoyed by the **Storage Technology Corporation** if this assignment had not been made.

In addition, the undersigned **Storage Technology Corporation** hereby agrees:

1. To sign and execute any further documents which may be necessary or desirable, lawful, and proper in connection with the prosecution of all applications for patent(s) on the INVENTION in the United States, including without limitation said application and all divisions, continuations, continuations-in-part, amendments thereof, and all interference proceedings associated therewith, or otherwise necessary or desirable to secure the title thereto to **Oracle America, Inc.**;
2. To execute all papers and documents and to perform all lawful acts which may be necessary in connection with claims to priority or otherwise under the International Convention for the Protection of Industrial Property or similar treaties or agreements;
3. To perform all lawful affirmative acts which may be necessary to obtain the grant of a valid and enforceable patent to **Oracle America, Inc.**

Storage Technology Corporation hereby authorizes and requests the Commissioner of Patents and Trademarks in the United States to issue any and all Letters Patent resulting from said application, including without limitation any divisional, continuation, continuation-in-part, or reissue thereof to Oracle America, Inc.

Matthew Sarboraria

Vice President & Associate General Counsel, Patent, Trademark & Copyright
