**ASSIGNMENT**

THIS ASSIGNMENT, made by Devicix, LLC, a Minnesota corporation having a principal place of business at 7680 Executive Dr., Eden Prairie, MN 55344;

WITNESSETH: That,

WHEREAS, the above-named corporation as employer of certain of the named inventors may be a co-owner of rights and/or title to certain new and useful improvements in **SURGICAL TOOLS FOR SPINAL FACET THERAPY TO ALLEVIATE PAIN AND RELATED METHODS** for which U.S. Provisional Application No. 62/135,791 was filed on March 20, 2015 in the United States Patent and Trademark Office; and

WHEREAS, Medovex Corp., a Nevada corporation having a principal place of business at 1735 Buford Hwy., Suite 215-113, Cumming, Georgia 30041, hereinafter referred to as Assignee, is desirous of acquiring the entire right, title and interest in and to said invention(s) as described in said provisional application, and in and to any and all Letters Patent which shall be granted therefor in the United States of America and all foreign countries, to the extent that Devicix, LLC has not previously already assigned such rights, title and interest to said inventions in related provisional applications filed with the USPTO;

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Devicix, LLC has sold and/or by these presents does hereby sell, assign, transfer, and convey unto the said Assignee, its successors and assigns, its entire right, title, and interest in and to the said invention(s) and provisional application, and in and to any and all subsequent patent applications which claim the benefit of priority from said provisional application including regular utility, continuations, and continuations-in-part, or divisions thereof and PCT applications, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues or other forms of protection thereof which may be granted for the invention in or on applications claiming the benefit of priority from said provisional application, for the full end of the term for which said Letters Patent may be granted along with any term extensions thereof or therefor, together with the right to claim the benefit of priority from said application in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Devicix, LLC if this assignment and sale had not been made.

Devicix, LLC further covenants and agrees to promptly communicate to said Assignee or its representatives any facts known relating to said invention, to testify in any interference or legal proceedings involving said invention, to execute any additional papers which may be requested to confirm the right of the Assignee, its representatives, successors, or assigns to secure patent or similar protection for the said invention in all countries and to vest in the Assignee complete title to the said invention and Letters Patent, without further compensation, but at the expense of said Assignee, its successors, assigns, and other legal representatives; and hereby instructs, and further covenant and agree to bind its legal representatives and successors, and assigns, to do same, without further compensation, but at the expense of said Assignee or its representatives.

IN WITNESS WHEREOF, Assignor, by signature below, has caused this assignment to be executed. The undersigned warrants and represents that he/she has the authority to sign this assignment on behalf of Assignor, Devicix, LLC.
