PATENT ASSIGNMENT

WHEREAS, Tactical Solutions, LLC, a Limited Liability Company of the State of Virginia, having its principal place of business at 16480 Stedham Circle, Suite 301, Dumfries, VA 22025, (hereinafter "Assignor") is the owner of certain patents (and patent applications), along with the inventions disclosed and described therein, as identified below (hereinafter "Patents" (or "Patents/Applications")):

-US Patent No. 8,910,410, issued December 16, 2014, entitled:
SLING-LESS FIREARMS CARRYING DEVICE

WHEREAS, Patriot Tactical, LLC, a Limited Liability Company of the State of Hawaii, having its principal place of business at 46-158 Kiowai St., #2425, Kaneohe, Hawaii 96744, (hereinafter "Assignee") is desirous of acquiring all interests in the same;

NOW, THEREFORE, for and in consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor, by these presents does sell, assign and transfer unto Assignee, the full, exclusive and entire right, title and interest: (i) in and to all inventions and improvements disclosed and described in said Patents, (ii) in and to said Patents, (iii) in and to all right to sue, counterclaim, and recover for past, present, and future infringement of the rights assigned or to be assigned under this Agreement, including all income, royalties, damages and payments now or hereafter due or payable with respect thereto, and to all causes of action (either in law or in equity), (iv) in and to the right to claim any applicable foreign and domestic priority rights arising from such Patents; and (v) in and to any patent applications filed in the United States describing in whole or in part the said inventions and improvements, preparatory to obtaining Patents of the United States therefore; and Assignor hereby requests the Commissioner of Patents to issue any and all Patents of the United States resulting from such patent applications, or from a division, continuation, continuation-in-part, or reissue thereof, in the name of Assignee, for its interest and for the sole use and behoof of Assignee and its assigns and legal representatives;

For the same consideration, Assignor by these presents does sell, assign and transfer to Assignee the full, exclusive and entire right, title and interest in and to any foreign patent applications corresponding to said Patents, in whole or in part, in countries other than the United States, in and to any

Patents and similar protective rights granted on said foreign application, and in and to the right to claim any applicable priority rights arising from or required for said foreign application under the terms of any applicable conventions, treaties, statutes, or regulations; said foreign applications to be filed and issued in the name of Assignee or its respective designees, insofar as permitted by applicable law;

AND, for the same consideration, Assignor agrees to sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue and other applications, make all assignments and rightful oaths, and generally do everything possible to aid Assignee and its successors, assigns, and nominees, to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world.
