## ASSIGNMENT

IN CONSIDERATION OF TEN DOLLARS (\$10.00) and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I, Gabriel Snyder ("ASSIGNOR"), being a joint inventor and having made an invention in LOOP STRAP, do hereby ASSIGN, SELL and CONVEY to Kopfjager Industries, LLC, a limited liability company, having an address of 3842 Mustang Ave., Sachse, Texas 75048 ("ASSIGNEE"), its successors and assigns, the entire right, title and interest throughout the world in and to:

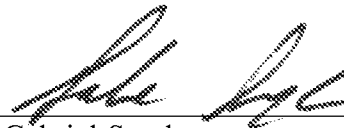

1. Said invention in LOOP STRAP;
2. United States of America patent applications on said invention, filed as U.S. Provisional Patent Application No. 62/502,949 on May 8, 2017 and entitled LOOP STRAP (Attorney's File No. 78.00010); and filed as U.S. Non-Provisional Patent Application Serial No. 15/971,668 on May 4, 2018 (Attorney's File No. 78.00011) and entitled LOOP STRAP.
3. All applications for patent or like protection on said invention that have now been or may in the future be made by me or my legal representatives, including any continuation, continuation-in-part and any other utility applications that may be based on this invention, whether in the United States of America or any other place anywhere in the world;
4. All patents and like protection that have now been or may in the future be granted on said invention to me or my legal representatives, whether in the United States of America or in any other country or place anywhere in the world;
5. All substitutions for and divisions, continuations, continuations-in-part, renewals, reissues, extensions, and the like of said applications and patents and like grants, including without limitations, those obtained or permissible under past, present and future law and statutes;
6. All rights of action on account of past, present and future unauthorized use of said invention for infringement of said patents and like protection;
7. The right to ASSIGNEE to file in his name applications for patents and like protection for said invention in the United States and any country or countries foreign to the United States; and

8. All international rights of priority associated with said invention, applications, patents and like protection;

and I covenant that I, my heirs, legal representatives, assigns, administrators, and executors will at the expense of ASSIGNEE, his successors and assigns, execute all papers and perform such other acts as may be reasonably necessary to give ASSIGNEE, his successors and assigns, the full benefit of this Assignment.
