ASSIGNMENT

WHEREAS, we, Patrick L. Iversen, of Corvallis, Oregon, and Andrew J. Annalora, of Corvallis, Oregon, have invented a certain invention, as described in the following patent applications:

U.S. Provisional Patent Application No. 62/214,279, filed on September 4, 2015, entitled
“RENAL SELECTIVE INHIBITION OF CYTOCHROME P450 3A5,”

PCT Patent Application No. PCT/US2016/050239, filed on September 2, 2016, entitled
“RENAL SELECTIVE INHIBITION OF CYTOCHROME P450 3A5,”

which applications are collectively referred to as “the patent applications.”

WHEREAS, Oregon State University, a university organized under the laws of the State of Oregon, having a place of business at A312 Kerr Administration Building, Corvallis, Oregon 97331-2140, desires to acquire an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we, Patrick L. Iversen and Andrew J. Annalora hereby sell, assign, and transfer to Oregon State University, the full and exclusive right, title, and interest in and to said invention, the patent applications, and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, the patent applications, and letters patent in this or any foreign country, and all corresponding non-provisional applications, divisions, continuations, continuations-in-part, reissues, and extensions thereof, to be held and enjoyed by Oregon State University, for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted by the United States or any foreign country, as fully and entirely as the same would have been held by us had this assignment and sale not been made, and covenant that we have full right so to do, and agree that we will communicate to Oregon State University, or its successors and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths, and do everything possible to aid Oregon State University, its successors,
