ASSIGNMENT

WHEREAS We, Gonzalo R. Arce of 1186 Corner Ketch Road, Newark, Delaware 19711, Gonzalo J. Garateguy of 1400 Worcester Road, Apt. 7108, Framingham, Massachusetts 01702, Daniel L. Lau of 774 Bravington Way, Lexington, Kentucky 40503 and Sean Xiaolu Wang of 153 St. Moritz Drive, Wilmington, Delaware 19807; have made a certain new and useful invention as set forth in an application for United States Letters Patent, entitled **SYSTEM AND METHOD FOR EMBEDDING A TWO DIMENSIONAL CODE IN VIDEO GAMES, for which an application number 15/570,983 for United States Letters Patent filed **October 31, 2017**;**

AND WHEREAS, GraphicLead LLC, a company of the State of Delaware and having an address of 19 Shea Way, Newark, Delaware 19713 is desirous of acquiring the entire right, title and interest in and to said invention and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, We do hereby sell, assign, transfer and set over unto GraphicLead LLC (Assignee), its legal representatives, successors, and assigns, the entire right, title and interest in and to said invention as set forth in the abovementioned application, including the right of priority and including any continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said invention;

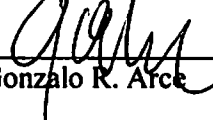

UPON SAID CONSIDERATIONS, We hereby agree with the said Assignee that We will not execute any writing or do any act whatsoever conflicting with these presents, and that We will, at any time upon request, without further or additional consideration but at the expense of said Assignee, execute such additional assignments and other writings and do such additional acts as said Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of assignor(a) and Assignee;

AND We hereby grant the Assignee, its successors, legal representatives and assigns, the power to insert on this instrument any further identification that may be necessary or desirable to comply with the recordation rules of any appropriate and competent authority, including, without limitation, the United States Patent and Trademark Office.

AND We hereby agree that this Assignment may be executed in two or more counterparts each of which shall be deemed an original but all of which together shall constitute one and the same instrument.

AND We request the Commissioner for Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said GraphicLead LLC, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent and the invention covered thereby.
