**ASSIGNMENT SUPPLEMENT
CORRECTION OF INADVERTENT ERROR**

GreensGroomer WorldWide, Inc., hereinafter referred to as the "Assignor," either singularly or collectively as appropriate, executes this Assignment supplement in order to clarify and correct an inadvertent error in the **three** page assignment, executed on **June 19, 2017**, effective as of **June 19, 2017**, identified with docket no. **005277-000066**, and recorded at the United States Patent and Trademark Office at Reel **042901** and Frame **0967**, the assignment assigning items of intellectual property in **REMOTE CONTROL LEVELER BRUSH FOR ROAD CONSTRUCTION** which includes subject matter protectable under various forms of intellectual property, for example, inventions, patents, copyrights, and/or trade secrets, to **GreensGroomer, WorldWide Inc.**, hereinafter referred to as the "Assignee," the assigned items of intellectual property being described, at least in part, in United States Patent Application No. **15/626,456**. The aforementioned assignment is hereinafter referred to as the "Underlying Agreement" and is attached hereto as Exhibit A.

In the Underlying Agreement, the Assignee is incorrectly referred to as "**GreensGroomer WorldWide, Inc.**" (including a comma before "Inc."). The parties hereby affirm that this was an inadvertent error that occurred without deceptive intent. "**GreensGroomer WorldWide Inc.**" (without a comma before the term "Inc.") was and is the correct Assignee. All references to "**GreensGroomer WorldWide, Inc.**" in the Underlying Agreement should be interpreted as references to "**GreensGroomer WorldWide Inc.**"

The Assignor hereby acknowledges that good, valuable, and sufficient consideration was received for the Underlying Agreement. The Assignor further acknowledges the Assignor's intent, now, and at the time of executing the Underlying Agreement, to grant, assign, sell, and transfer unto, and the Assignor does hereby grant, assign, sell, and transfer unto the Assignee, all of the Assignor's entire worldwide right, title, and interest, including the beneficial interest, together with all rights of priority in, to, and under, the items of intellectual property identified in the Underlying Agreement, including future developments in the intellectual property, and any and all applications or patents based on or arising from the items of intellectual property identified in the Underlying Agreement, including the right to file any and all applications based on or arising from the items of intellectual property identified in the Underlying Agreement, in all countries, United States and foreign, and under any applicable treaty or convention, including provisional, non-provisional, utility, design, industrial design, international, national/regional phase, plant and petty patent applications, and any and all divisions, continuations, continuations-in-part, substitutes, extensions, re-examinations and reissues thereof, to be held and enjoyed by the Assignee as fully and entirely as the same would have been held and enjoyed by the Assignor if the Underlying Agreement had not been made.

The Assignor hereby COVENANTS AND WARRANTS that the Assignor has not executed and shall not execute any writing or perform any act whatsoever conflicting with the Underlying Agreement. This covenant and warranty includes, but is not limited to, a representation to the Assignee that no grant, assignment, sale, transfer, mortgage, license, encumbrance and/or other agreement affecting any portion, in whole or in part, of the right, title, interest, and priority in, to, and under the inventions identified in the Underlying Agreement, and any and all applications or patents based on or arising from the inventions identified in the Underlying Agreement, including rights of action for infringement, in all countries, United

States and foreign, including provisional, non-provisional, utility, design, industrial design, international, national/regional phase, plant and petty patent applications, and any and all divisions, continuations, continuations-in-part, substitutes, extensions, re-examinations and reissues thereof, has been made to any party other than the Assignee by the Assignor, or by any portion of the Assignor, and that the full right and authority to convey the same as expressed in the Underlying Agreement was possessed by the Assignor at the time of executing the Underlying Agreement.

This Supplement is made for purposes of clarification and is intended to have no effect on the Underlying Agreement. The Underlying Agreement remains in full force and effect. If any provision of this Supplement shall be ruled invalid or unenforceable by a court of competent jurisdiction, such decision shall not affect the validity or enforceability of the remaining portions of this Supplement, which remaining portions and terms shall continue in full force and effect as if this Supplement had been executed with the invalid portion eliminated.

This Assignment supplement is hereby made effective *nunc pro tunc* as of **June 19, 2017**.
