DECLARATION OF RAY M. GOTTLIEB IN SUPPORT OF APPLICANT'S PETITION TO  
CORRECT ASSIGNMENT IMPROPERLY FILED AND RECORDED

I, Ray M. Gottlieb, do hereby declare:

1. I am the first named inventor of U.S. Patent 9,339,356, filed November 24, 2014 and titled "ELECTRIC INTERDENTAL CLEANING APPARATUS AND SYSTEMS USEFUL FOR CLEANING TEETH AND INTERDENTAL SPACES," (hereinafter "this application").

2. I am the Chief Executive Officer of STEVI, LLC ("STEVI").

3. I assigned my entire personal exclusive rights, title, and interest in this application to STEVI. A duly executed Assignment was recorded at Reel 034255, Frame 0097 on November 24, 2014. See Exhibit A, submitted herewith.

4. On or about May 12, 2016, Applicant STEVI became aware that a second assignment document recorded against this patent. In particular, the Patent Assignment Abstract, Exhibit B, shows an assignment from Ray M. Gottlieb to Sandra Gottlieb. This assignment was recorded at Reel 038520, Frame 0134 on May 9, 2016.

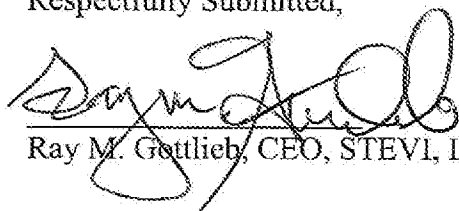

6. The May 12, 2016 Assignment Recordation Cover Sheet cites and is submitted along with an alleged "Court Order from Gottlieb v. Gottlieb, Civil No. 397288, Montgomery County, Maryland." But, the document referred to is a judgment, not a court order. Further, it is a judgment for monies against Ray M. Gottlieb personally, not STEVI. The Cover Sheet incorrectly identifies Ray M. Gottlieb as a transferor, but only STEVI owns this patent.

7. As a result of the improper recordation of Assignment 2, the Patent Assignment Abstract incorrectly identifies Ray M. Gottlieb and STEVI as title owners. I had no personal knowledge of this purported conveyance, and moreover, the title was not mine to convey as of May 9, 2016. Title was and today remains wholly owned by STEVI continuously at least since November 24, 2014.

\*\*\*

I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and further, that these statements were made without the knowledge that willful false statements and the like so made are punishable by fine, imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Respectfully Submitted,

  
Ray M. Gottlieb, CEO, STEVI, LLC
