ASSIGNMENT

WHEREAS, I, James C. Juranitch of 714 NE 20th Avenue, Fort Lauderdale, FL 33304, hereinafter ASSIGNOR, have invented certain new and useful inventions described in the various patent applications identified in Exhibits A and B hereto;

AND WHEREAS Axenic Power, LLC, a limited liability company organized and existing under the laws of the State of Delaware, and having a business address at 730 W. McNab Road, Fort Lauderdale, FL 33309, hereinafter ASSIGNEE, is desirous of acquiring the entire right, title, and interest in, to, and under said inventions, said patent applications, and any and all patents to be obtained therefor throughout the world;

NOW, THEREFORE, for and in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, I have sold, assigned, and transferred, and by these presents do hereby sell, assign, and transfer unto ASSIGNEE, its successors and assigns, my entire right, title, and interest in and to said inventions, said patent applications, all divisions, continuations, continuations-in-part, reissues, or renewals thereof, and said patents, throughout the world, that may or shall issue, including all of my entire rights under any and all international conventions, and including my right to sue for infringement, to seek injunctive relief, and to collect, inter alia, money damages, royalties, lost profits, attorney fees, and costs for any infringement of the intellectual property assets set forth in Exhibits A and B, whether such infringement may have already occurred or may occur in the future;

AND I HEREBY authorize ASSIGNEE, its successors and assigns, or anyone it may properly designate, to apply for patents, in its own name if desired, in any and all countries throughout the world, and additionally to claim the filing dates of said patent applications and to otherwise take advantage of the provisions of any and all international conventions;

AND I HEREBY authorize and request any official of any State whose duty consists of issuing patents, or other evidence or forms of any industrial property protection on any aforesaid patent applications, to issue same to ASSIGNEE, its successors and assigns, in accordance herewith;

AND I HEREBY covenant and agree with ASSIGNEE, its successors and assigns, that I have the full right to convey the entire interest assigned herein, and that I have not executed, and will not execute, any agreement in conflict herewith, and that I will not do any other act whatsoever conflicting with these presents, and that I or my successors, assigns, executors, or administrators will at any time upon
