ASSIGNMENT TO BUSINESS CONCERN

Attorney Docket No.: 39605-227761/231645/232766

Name of Provisional Assignee SunPower Corporation

Address of principal place of business 77 Rio Robles
San Jose, CA 95134

Insert State of Incorporation (if applicable) or "Not Applicable" a corporation of Delaware

(hereinafter designated as the Provisional Assignee) their entire right, title, and interest in, to, and under the Application, including all priority rights for other countries arising therefrom, all inventions therein disclosed, any and all continuation applications and/or divisional applications, and any and all Letters Patent of the United States and of all other countries, which may be granted for such inventions, or any of them, all such inventions and all rights in such Application and Letters Patent to be held and enjoyed by Provisional Assignee for its own use and enjoyment to the full end of the term or terms for which such Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by them had this assignment and sale not been made.

The undersigned agree(s) to execute all papers necessary in connection with the application(s) in the United States and foreign countries and any continuing, divisional, or reissue applications thereof, and any reexamination of any of such applications, and also to execute separate assignments in connection with such applications as the Assignee (or, if applicable, Provisional Assignee) may deem necessary or expedient.

The undersigned agree(s) to execute all papers necessary in connection with any interference which may be declared or litigation concerning the application(s) or continuation, division, reissue, or reexamination thereof, and to cooperate with the Assignee (or, if applicable, Provisional Assignee) in every way possible in obtaining evidence and going forward with such interference or litigation.

The undersigned agree(s) to execute all papers and documents and perform any act which may be necessary in connection with claims or provisions of the International Convention for Protection of Industrial Property or similar agreements.

The undersigned agree(s) to do all other acts which, in the opinion of Assignee (or, if applicable, Provisional Assignee), may be necessary or desirable to secure the grant of Letters Patent to Assignee or Provisional Assignee or its nominees, in the United States and in all other countries where Assignee (or, if applicable, Provisional Assignee) may desire to have such inventions, or any of them, patented, with specifications and claims in such form as shall be approved by Assignee (or, if applicable, Provisional Assignee) and to vest and confirm in Assignee (or, if applicable, Provisional Assignee) or its nominees the full and complete legal and equitable title to all such Letters Patent.

The undersigned hereby authorize(s) and request(s) the Commissioner of Patents to issue any and all Letters Patent of the United States resulting from said application(s) or any division or divisions or continuing or reissue applications thereof, and any reexamination of any of such applications, to the said Assignee (or, if applicable, Provisional Assignee), as Assignee (or, if applicable, Provisional Assignee) of the entire interest, and hereby covenants that the undersigned has full right to convey any interest herein assigned, and that the undersigned has not executed, and will not execute, any agreement in conflict herewith.

The undersigned hereby grant(s) the attorney of record the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
