PATENT ASSIGNMENT

WHEREAS, I, **Jordan Cameron Belen**, a citizen of the United States of America, residing at **45 Nottingham Drive West, Warwick, RI 02893**, in the Country of the United States of America, have invented certain inventions and improvements disclosed in the Provisional Patent Application for United States Patent entitled **MALLEABLE PRESS FITTINGS**, filed in the United States Patent and Trademark Office on December 22, 2017, bearing Serial No. 15/852,462, and listing as inventor(s): **Jordan Cameron Belen, Matthew William McNamara, Mark David Kirby, Ty Schell**;

WHEREAS, **Anvil International, LLC**, a Limited Liability Company of the State of **Delaware**, having its principal place of business at **2 Holland Way, Exeter, NH 03833** is desirous of acquiring an interest in the same;

NOW, THEREFORE, for and in consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, **Jordan Cameron Belen**, by these presents do sell, assign and transfer unto **Anvil International, LLC**, the full, exclusive and entire right, title and interest: (i) in and to all inventions and improvements disclosed and described in said provisional application, (ii) in and to said provisional application, (iii) in and to the right to claim any applicable foreign and domestic priority rights arising from such provisional patent application; and (iv) in and to any non-provisional patent applications filed in the United States describing in whole or in part the said inventions and improvements, preparatory to obtaining Patents of the United States therefore; I also hereby acknowledge that an obligation for this assignment and for the assignment of all related subject matter arose before the making of the invention and improvements disclosed and described in said application; and I hereby request the Commissioner of Patents to issue any and all Patents of the United States resulting from such non-provisional patent applications, or from a division, continuation, continuation-in-part, or reissue thereof, in the name of **Anvil International, LLC** as Assignee, for their interest and for the sole use and behoof of **Anvil International, LLC** and their assigns and legal representatives;

For the same consideration, I, by these presents do sell, assign and transfer to **Anvil International, LLC** the full, exclusive and entire right, title and interest in and to any foreign application or applications corresponding to said provisional application, in whole or in part, in countries other than the United States, in and to any Patents and similar protective rights granted on said foreign application, and in and to the right to claim any applicable priority rights arising from or required for said foreign application under the terms of any applicable conventions, treaties, statutes, or regulations; said foreign applications to be filed and issued in the name of and or their respective designees, insofar as permitted by applicable law;

AND, for the same consideration, I agree to sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue and other applications, make all assignments and rightful oaths, and generally do everything possible to aid **Anvil International, LLC** their successors, assigns, and nominees, to obtain and enforce proper protection for all said inventions and improvements in all countries throughout the world; and

for the same consideration, I hereby authorize the insertion of the filing date and serial number above.
