**ASSIGNMENT**

WHEREAS, the undersigned inventors (hereinafter called Assignors) have made certain inventions and/or improvements, as set forth in an application for Letters Patent of the United States of America, entitled:

**PRESS FIT STORM WINDOW SYSTEM**

Filing date:

Serial No:

And

R Value, Inc. (hereinafter called Assignee), an Oregon corporation whose address is 2267 N. Interstate, Avenue Oregon 97227 USA, desires to acquire the entire right, title and interest in and to said inventions, improvements, and application;

For good and valuable consideration, the receipt and sufficiency of which is acknowledged, Assignors hereby assign and transfer to Assignee the entire right, title and interest in and to said inventions and improvements throughout the world, and in and to said application, including any previously filed provisional application(s) and any continuation(s) or division(s) thereof, and any Letters Patent or other protective right(s) that may be granted therefor in the United States and in any and all foreign countries, including the right to file in foreign countries applications for protection of said improvements claiming priority from said application.

Each Assignor hereby authorizes and requests the Director of the United States Patents and Trademark Office and corresponding officials in any and all foreign countries to issue said Letters Patent(s) or protective right(s) to Assignee as the assignee of the entire right, title and interest therein, for the sole use and benefit of Assignee.

Each Assignor hereby covenants that the Assignor has the full right to convey the entire interest herein assigned, and that the Assignor has not executed, and will not execute, any agreement in conflict herewith.

Each Assignor hereby agrees to communicate to Assignee or their legal representatives any facts known to Assignor relating to said improvements, to testify as to the same in any interference or legal proceeding concerned therewith, to execute promptly and deliver to Assignee or their legal representatives upon request any and all papers, instruments, declarations and affidavits required to apply for, obtain, maintain and enforce Letters Patent(s) or other protective right(s) for said improvements throughout the world, and generally to do everything necessary or desirable to vest and perfect title thereto in Assignee.

This assignment is binding upon each Assignor and Assignor's heirs, successors and personal representatives, and shall inure to the benefit of Assignee, their successors, assigns and nominees.
