ASSIGNMENT

For good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, I the undersigned Songqiao Zhang of Yuzao City, China, hereby:

Sell, assign and transfer to Shenzhen Segre Electronic Co., Ltd., a Chinese limited company having an address of 3F, 1 Unit, Yuanfen Industrial Park, Dalang Street, Longhua New District, Shenzhen City, Guangdong Province 518109, China, its successors, assigns and legal representatives, all hereinafter referred to as the Assignee, my entire right, title and interest for the United States and all countries throughout the world, in and to the invention which is described in the patent application filed January 5, 2018, serial number 29/632,224 entitled "INFLATOR" and to said patent application and all divisional, continuing, substitute, renewal, reissue and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said inventions, and in and to all original and restored patents which have been or shall be issued in the United States and all foreign countries on said inventions including the right to apply for patent rights in each foreign country and all rights to priority;

Agree that said Assignee may receive Letters Patent for said inventions in its own name, and to sue for any past, present or future infringement of said Letters Patent, and when requested, without charge to but at the expense of said Assignee, agree to carry out in good faith the intent and purpose of this assignment by executing all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said inventions, by executing all rightful oaths, assignments, powers of attorney and other papers, by communicating to said Assignee all facts known to me relating to said inventions and the history thereof, and generally by doing everything possible which said Assignee shall consider desirable for aiding in securing and maintaining proper patent protection for said inventions and for vesting title to said inventions and all applications for patents and all patents on said inventions, in said Assignee.

Authorize and request Chris A. Cavero, Registration Number 34,304, to supply any missing patent identification information or correct any errors in the patent identification information provided above, whether discovered prior to or after recordation; and

Covenant with said Assignee that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by me, and that the full right to convey the same as herein expressed is possessed by me.
