ASSIGNMENT OF INVENTION

In consideration of Ten (\$10.00) Dollars and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I,

BEATTIE, Craig (hereinafter the "Assignor"), whose complete address is **2727 58th Avenue SE, Calgary, Alberta, T2C 0B4, Canada;**

agree and confirm that I have sold, assigned and transferred and by these presents do hereby sell, assign and transfer to

Industrial Waterproof Systems Ltd. (hereinafter the "Assignee"), whose complete address is **2727 58th Avenue SE, Calgary, Alberta, T2C 0B4, Canada;**

all my right, title and interest throughout the world in and to

- (1) my invention(s) relating to **Inverted Roofing System and Method** as described and/or claimed in United States Patent Application No. **62/254,604**, filed on **November 12, 2015**,
- (2) all improvements, including but not limited to modifications, additions, substitutions, derivatives, and deletions to said invention(s);
- (3) the above-identified applications in (1) and all International (PCT) applications and national phase applications claiming priority thereto;
- (4) all other applications for Letters Patent in any country throughout the world for said invention(s) and improvements, including but not limited to all divisional, continuation, continuation-in-part, renewal, reissue, and substitute applications;
- (5) all Convention or Treaty rights derived from any of said applications, including without limitation, all rights of priority in Canada and the United States of America in and to said applications; and
- (6) the full and complete right to file applications for intellectual property protection in the name of the Assignee, or in my/our names at the Assignee's election, on said invention(s) and improvements in all countries throughout the world.

For said consideration, I agree, upon the request and at the expense of the Assignee, its successors and assigns, to execute any and all further instruments, including but not limited to further applications for Letters Patent, and to promptly and diligently take any and all actions as may be requested by the Assignee to obtain further intellectual property registration or protection for the said invention(s), and any improvement thereto, and acknowledge and agree that all rights therein shall vest in the Assignee, its successors and assigns, whereby said Letters Patent will be held and enjoyed by said Assignee, its successors and assigns, to the full end of the term for which said Letters Patent will be granted, as fully and entirely as the same would have been held and enjoyed by the Assignor if this assignment had not been made.

The undersigned hereby grants to the firm of **MBM Intellectual Property Law LLP** whose complete address is P.O. Box 809, Station B, 275 Slater Street, 14th Floor, Ottawa, Ontario, Canada, K1P 5H9 the power to insert on this assignment any further information and/or correct any clerical error in the information pertaining to the referenced application above, which may be necessary or desirable in order to comply with the patent legislation for recordation of this document.

In addition, I will, at the request of the Assignee, promptly execute and deliver to the Assignee or cause to be executed and delivered to the Assignee any and all documents required by the Assignee to fully and properly vest the aforementioned rights in the Assignee.
