PATENT ASSIGNMENT

WHEREAS, **BRIM BROTHERS, LTD.** (hereafter referred to as "Assignor"), has invented and/or own certain patents and/or patent applications listed below; and

WHEREAS, **SARIS CYCLING GROUP, INC.**, a Wisconsin corporation located and doing business at 5253 Verona Road, Madison, Wisconsin 53711 (hereafter referred to as "Assignee"), desires to acquire the entire right, title and interest in and to the patents and patent applications listed below;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby transfers and assigns to Assignee, its successors and assigns, Assignor's entire right, title and interest in and to the patents and patent applications listed below, any and all legal protection relating to said patents and patent applications, and all rights and benefits under any applicable treaties or conventions relating to said patents and patent applications, including the right to sue for and recover damages for past infringement of any of the patents or patent applications listed below. Assignor further authorizes the Commissioner of Patents, or equivalent, to issue any and all legal protection to the Assignee.

<u>Title of Invention</u>	<u>Patent No.</u>	<u>Issue Date</u>	<u>Appln No.</u>	<u>Filing Date</u>	<u>Country</u>

EU Application	2300796			6/8/2009	EU
Canadian Application	2727052			6/8/2009	Canada

Assignor covenants that Assignor has the full right to convey the entire right, title and interest in the listed patents and patent applications.

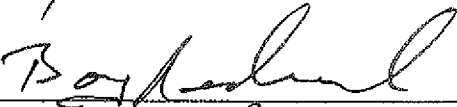

Assignor authorizes Assignee, its successors and assigns, or any Assignee may properly designate, to apply for letters patent or similar legal protection, in its own name, in any and all foreign countries as may be applicable for the listed patents or patent applications. Assignor further represents to Assignee, its successors and assigns, that Assignor has not and shall not execute any writings or do any acts whatsoever conflicting with the Assignment. Assignor, and any representative, executor and/or administrator of Assignor, will at any time, upon reasonable request and without additional consideration but at the expense of Assignee, its successors and assigns, execute any and all additional writings and do such additional acts as Assignee, its successors and assigns, may reasonably deem desirable to perfect its enjoyment of this Assignment and grant, and render reasonable assistance in making application for and obtaining, maintaining and enforcing the letters patent or similar legal protection on the listed patents and patent applications in any and all countries.

This Assignment includes any reissue, reexamination or extension of any of the listed patents, or patents issuing from any of the listed applications. Assignor further covenants that, if Assignee, or any successor in interest of Assignee, desires to secure a reissue or extension of any patent transferred herewith, or to file a disclaimer relating thereto, that Assignor will upon reasonable request, sign all papers, make all rightful oaths, and do all lawful acts requisite therefor, but at the expense of Assignee.

This Assignment may be executed in any number of counterparts, each of which together shall constitute one complete original. Signatures exchanged by facsimile transmissions shall be accepted as binding; **provided**, that the original signature shall be forwarded within five (5) business days after the transmission of any signature by facsimile.
