## CAP VALVE

for which a patent has been issued by the United States Patent & Trademark Office, as US Patent No. 8,833,393, issued on 16 September 2014; and

**WHEREAS**, Deep Fix, LLC of 20542 Parkside Drive, Chandler, TX 75758 (hereinafter referred to as ASSIGNEE), is desirous of acquiring the entire right, title and interest in, to and under said Letters Patent and said invention and in, to and under any additional patent application(s) derived from the same disclosure or similar legal protection to be obtained therefore in the United States and in any and all foreign countries.

**NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN:** Be it known that in consideration of the payment by ASSIGNEE to ASSIGNOR of the sum of One Dollar (\$1.00), the receipt and sufficiency of which is hereby acknowledged, and for other good and valuable consideration, ASSIGNOR hereby sells, assigns and transfers to ASSIGNEE, its lawful successors and assigns, the full and exclusive right, title and interest to said invention in the United States and its territorial possessions and in all foreign countries and to all Letters Patent or similar legal protection in the United States and its territorial possessions and in any and all foreign countries to be obtained for said invention by said patent, or any continuation, division, continuation-in-part, reexamination, renewal, substitute, extension or reissue application and patent thereof or any legal equivalent thereof in a foreign country for the full term or terms for which the same may be granted; and authorize and request the Commissioner of Patents of the United States and any official of any foreign country whose duty it is to issue patents or legal equivalents thereto, to issue same for this invention to ASSIGNEE, its lawful successors and assigns. Furthermore, ASSIGNOR hereby sells, assigns and transfers to ASSIGNEE, its lawful successors and assigns, all causes of action (whether known or unknown or whether currently pending, filed, or otherwise) and other enforcement rights under, or on account of, said Patents, or any continuation, division, continuation-in-part, reexamination, renewal, substitute, extension or reissue application and patent thereof or any legal equivalent thereof in a foreign country for the full term or terms for which the same may be granted, including, without limitation, all causes of action and other enforcement rights for past or future damages, injunctive relief, and any other remedies of any kind for past, current, and future infringement; and all rights

to collect royalties and other payments under or on account of the Patents and/or any item in any of the foregoing.

ASSIGNOR hereby covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment and sale.

ASSIGNOR further covenants that ASSIGNEE will, upon its request, be provided promptly with all pertinent facts and documents relating to said application, said invention and said Letters Patent and legal equivalents in foreign countries as may be known and accessible to ASSIGNOR and will testify as to the same in any interference or litigation related thereto and will promptly execute and deliver to ASSIGNEE or its legal representative any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said application, said invention and said Letters Patent and said equivalents thereof in any foreign country which may be necessary or desirable to carry out the purposes thereof.

IN WITNESS WHEREOF, ASSIGNOR has caused the hand of its proper office to be subscribed hereto this 7 day of March, 2018.
