## ASSIGNMENT

WHEREAS, I, Weiguo Cui of Brookfield, Wisconsin, have made certain inventions which are described in applications for Letters Patent of the United States entitled METHOD OF MANUFACTURING DUAL-SPECIFIC T-CELLS FOR USE IN CANCER IMMUNOTHERAPY, claiming priority of PCT/US2016/062831 filed November 18, 2016, and U.S. Provisional Patent Application No. 62/257,429 filed November 19, 2015, and,

WHEREAS, BloodCenter Research Foundation (hereinafter referred to as said BloodCenter), a Wisconsin corporation having a place of business at 638 N. 18th Street, Milwaukee, Wisconsin, 53223 is desirous of acquiring the entire interest in said inventions throughout the United States of America and the territories thereof, for all other countries and under all international agreements,

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) to me in hand paid, and other good and valuable consideration, receipt whereof is hereby acknowledged, I hereby sell, assign and transfer unto said BloodCenter, its successors and assigns, the entire right, title and interest throughout the United States of America and the territories thereof, for all foreign countries and under all international agreements in and to foreign countries and under all international agreements in and to said inventions, the aforesaid applications, all other applications hereafter filed in the United States, in any other country, or under any international agreement based in whole or in part on said inventions, and all Letters Patents granted upon said applications by the United States, by any other country or under any international agreement, and I do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to said BloodCenter. I further grant to said BloodCenter, its successors and assigns, the right to claim for any of said applications the full benefits and priority rights of any international agreement between the United States and any foreign country or countries or between any other countries.

I hereby warrant that I have the full right to make the conveyance herein, and I hereby covenant that I, my heirs, legal representatives and assigns, will when requested, communicate to said BloodCenter, its representatives, successors and assigns, all facts known respecting said inventions, execute all divisional, continuing, reissue, reexamination and foreign or international applications, together with individual assignments therefore, make all rightful oaths, sign all lawful papers, testify in any legal proceeding and generally do everything possible to aid said BloodCenter, its successors and assigns, in the obtaining of Letters Patent.

IN TESTIMONY WHEREOF, I have hereunto set my hand and seal at the location and on the date indicated with my signature.

Date: 5/26/2018
