Assignment

Serial No.: 15/126,539

Filed: September 15, 2016

In Consideration of One Dollar and other good and valuable considerations, the receipt of which is hereby acknowledged, the entire right, title and interest in the United States in the invention or improvements of, **PRINTING INK** the undersigned in the application for Letters Patent of the United States, from the United States of America National Stage of International Patent Application PCT/GB2015/050782 filed March 17, 2015, therefor, and in any reissue or extension of any Letters Patent that may be granted upon said application are hereby assigned by the undersigned to Fujifilm Speciality Ink Systems Limited, having offices at Patricia Way, Pysons Road Industrial Estate, Broadstairs Kent, CT10 2LE, United Kingdom, and the successors, legal representatives and assigns of Fujifilm Speciality Ink Systems Limited, (hereinafter called said Assignee), and the Commissioner for Patents is hereby authorized and requested by the undersigned to issue said Letters Patent to said Assignee.

For said considerations it is hereby agreed by the undersigned, upon the request of said Assignee, to execute any necessary and proper oaths or affidavits relating to said application or required for the filing or prosecution of any divisional or continuing application thereof or for the filing or prosecution of any application for the reissue or extension of any Letters Patent that may be granted on said invention or improvements that said Assignee may deem necessary or expedient, and for the said considerations it is further agreed by the undersigned, upon the request of said Assignee, in the event of said application or any division thereof, or Letters Patent issued thereon, or any reissue or application for the reissue thereof, becoming involved in derivation proceedings, to cooperate to the best of the ability of the undersigned with said Assignee in all relevant matters, including but not limited to giving and producing evidence in support thereof, and further to perform, upon such request, any and all affirmative acts to obtain said Letters Patent and vest all rights therein hereby conveyed in the said Assignee as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment and sale had not been made. And for the said considerations the entire right, title and interest in said invention or improvements, in the United States, including all priority rights, and the right to claim priority rights and the privileges and benefits thereof, including those under the International Convention, and all other Conventions, are hereby assigned and granted by the undersigned to said Assignee. The undersigned also further agrees, for the said considerations, upon the request of said Assignee, to promptly perform all lawful acts deemed by said Assignee to be necessary or advisable in connection with maintaining, enforcing, or transferring the resulting grants of said Letters Patent in the United States. It is agreed that such lawful acts include, but are not limited to, taking oaths, executing declarations, powers, assignments and other papers and giving testimony.
