Title: COMPRESSION GARMENT AND METHOD OF FORMING THE SAME

ASSIGNMENT

For good and valuable consideration, including the payment of patent prosecution costs including filing fees and legal fees until prosecution is completed or deemed unproductive, the receipt and sufficiency of which are hereby acknowledged, Ronald G. Scott, LLC, 6017 Silver Oak Lane, The Colony, Texas 75056 (hereinafter "assignor") assigns to **Advanced Fabric Technologies, LLC**, 2441 High Timbers Dr., Suite 400, The Woodlands, Texas 77380 (hereinafter "assignee"), its successors and assigns, a one sixth ("1/6") interest in the invention disclosed in the above-identified application for Letters Patent, and in said application and any and all other applications, which the undersigned may file on said invention, and in any and all Letters Patent of the United States and foreign countries, which may be obtained on any of said applications, and in any reissue or extension thereof. The undersigned warrant themselves to be the owners of the interest herein assigned and to have the right to make this assignment and further warrant that there are no outstanding prior assignments, licenses, or other rights in the interest assigned.

For said consideration the undersigned hereby agree, upon the request and at the expense of said assignee, its successors and assigns, to execute any and all divisional, continuation, continuation-in-part and substitute applications for said invention, and any necessary oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application, and any and all applications and other documents for Letters Patent in foreign countries on said invention, that said assignee, its successors or assigns, may deem necessary or expedient and for said consideration the undersigned further agree upon the request of said assignee, its successors or assigns, in the event of any application or Letters Patent assigned herein becoming involved in interference, to cooperate to the best of the ability of the undersigned with said assignee, its successors or assigns, in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof, the undersigned hereby agreeing to perform, upon request, any and all affirmative acts to obtain said Letters Patent, both United States and foreign, and vest all rights conveyed to said assignee, its successors and assigns, whereby the interest of said Letters Patent will be held and enjoyed by said assignee, its successors and assigns, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment and sale had not been made.
