ASSIGNMENT

WHEREAS, I:

Shea Michael Stewart of 257 N Rutan St, Wichita, KS 67208; and

along with

Walter G. VanCleave III of 126 Alyssa Drive, Pickerington, OH 43147;

Jared D. Crooks of 4530 Millwater Drive, Powell, OH 43065; and

Bortman T. Jung of 35 Clairedan Drive, Powell, OH 43065

have made a certain new and useful invention as set forth in an application for United States Letters Patent entitled **TORCH HAVING AN INTERLOCK MECHANISM**, Attorney's Docket No. WOR-054P, Serial Number 62/502,927, filed the 8th day of May, 2017, a U.S. Non-provisional Patent Application 15/971,317, filed the 4 day of May, 2018, and an International Patent Application PCT/US2018/031086, filed the 4 day of May, 2018, (the hereafter assignee being authorized to insert the application numbers and dates of filing when ascertained) (hereinafter collectively referred to as "said patent application(s)").

I made said invention set forth in said patent application(s) while employed by Worthington Industries, Inc., of Columbus, OH and acknowledge my obligation at the time the invention was made to assign said patent application(s) and said invention to Worthington Industries, Inc. Whereas Worthington Industries, Inc. intends to have the assigned rights to said patent application(s) and said invention in the name of its subsidiary Worthington Torch, LLC of Columbus, OH.

Pursuant to said obligation, and to the intents of Worthington Industries, Inc., I assign to Worthington Torch, LLC, its legal representatives, successors and assigns, the entire right, title and interest in said patent application(s), including the right to claim priority of the filing date of said patent application(s) under international conventions, and in said invention as set forth in said patent application(s), including any non-provisional, divisional, continuation, continuation-in-part, continued prosecution, or provisional application thereof, and in all patents, including any reissued, extended or reexamined patent thereof, of the United States and of any foreign country which may be issued for said invention, as fully and completely as the same would have been held by me had this assignment not been made. The entire right, title and interest shall vest irrevocably in Worthington Torch, LLC. I further agree upon request, without additional compensation but at no expense to me, to execute or assent to foreign applications, and to execute all other legal documents as may be necessary or desirable to vest the enjoyment of the rights assigned to Worthington Torch, LLC, its legal representatives, successors and assigns, or as said Worthington Torch, LLC may direct.

AND I request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said Worthington Torch, LLC, its legal representatives, successors or assigns, as the sole owner of the entire right, title, and interest in said patent and the invention covered thereby.
