ASSIGNMENT

WHEREAS, JASON CHRISTOPHER BARTOSZEK, SEAN C. ELY, and DOUGLAS FORNELL LEAVITT (hereinafter, the "Assignors") are the makers of an invention which is the subject of a United States Provisional Patent Application identified as Serial No. 62/019,863, filed on July 1, 2014, and a United States Patent Application identified as Serial No. 14/742,527, filed on June 17, 2015, both entitled "Electric Motor Connections for Power Tools" (hereinafter, the "Applications"); and

WHEREAS, the Assignors have an obligation to assign the Applications to INGERSOLL-RAND COMPANY, a New Jersey corporation having a place of business at 800-D Beaty St., Davidson, North Carolina 28036 (hereinafter, the "Assignee");

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the Assignors do hereby assign, sell, and set over to Assignee their entire right, title, and interest in, to, and under the Applications, any and all patent applications filed in the United States and in all other countries claiming priority to the Applications, all inventions disclosed therein, and any and all Letters Patent of the United States and of all other countries that may be granted for such inventions, all rights in such Letters Patent to be held and enjoyed by Assignee for its own use and enjoyment to the full end of the term or terms for which such Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by Assignors had this assignment not been made.

The Assignors agree to execute any and all papers in connection with the Applications, any and all patent applications filed in the United States and in all other countries claiming priority to the Applications, and any Letters Patent issuing therefrom, and also to execute separate assignments as the Assignee may deem necessary or desirable.

The Assignors agree to execute any and all papers in connection with any litigation, interference, derivation, reexamination, inter partes review, post grant review, or other proceeding concerning the Applications, any and all patent applications filed in the United States and in all other countries claiming priority to the Applications, or any Letters Patent issuing therefrom, and also to cooperate with the Assignee in every way possible in obtaining evidence and participating in any such proceeding.

The Assignors agree to execute any and all papers and to perform any and all acts which the Assignee may deem necessary or desirable in view of the provisions of the Patent Cooperation Treaty, the International Convention for Protection of Industrial Property, or similar agreements.

The Assignors agree to perform any and all other acts which, in the opinion of Assignee, may be necessary or desirable to secure the grant of Letters Patent to Assignee or its nominees, in the United States and in all other countries where Assignee may desire patent protection, with specifications and claims in such form as shall be approved by Assignee, and to vest and confirm in Assignee or its nominees the full and complete legal and equitable title to all such Letters Patent.

Atty. Ref. No. 437251-230488, -235558
IR Ref. No. 81100732, 81122893

The Assignors hereby covenant that they have the full right to convey the interests herein assigned, and that the Assignors have not executed, and will not execute, any agreement in conflict herewith.

The Assignors hereby grant the attorney of record the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent & Trademark Office for recordation of this document.
