## PATENT APPLICATION

### Assignment

For good and valuable consideration, the receipt of which is hereby acknowledged, we, the undersigned, co-inventors:

**VIACHESLAV KRYLOV**

**LIOR MEDINA**

Who have created a certain invention for which a nonprovisional application for United States Letters Patent entitled **"SECURITY SYSTEM FOR SOLID-STATE ELECTRONICS"**, was filed at the U.S. Patent and Trademark Office on March 1, 2018 and assigned U.S. Patent Application Serial No. **15/756,760**.

Do hereby sell, assign and transfer to **RAMOT AT TEL AVIV UNIVERSITY LTD.**, whose address is P.O. Box 39296, Tel Aviv, 6139201, Israel, and their successors, assigns, and legal representatives, the full and exclusive right to said invention and said application and to any and all inventions described in said invention and said application and to any and all inventions described in said application for the United States, its territorial possessions and all foreign countries, and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States, its territorial possessions and all foreign countries; and in and to any and all provisionals, nonprovisionals, continuations-in-part, continuations, divisions, substitutes, reissues, extensions thereof, and all other applications for Letters Patent relating thereto which have been or shall be filed in the United States, its territorial possession and/or any foreign countries, and all rights, together with all priority rights, under any of the international conventions, unions, agreements, act, and treaties, including all future conventions, unions, agreements, acts, and treaties;

Agree that the Assignees, may apply for and receive Letters Patent for said invention and said inventions, hereinafter referred to as said invention, in their own names, in the United States, its territorial possessions, and all foreign countries; and that, when requested to carry out in good faith the intent and purpose of this assignment, at the expense of said Assignees, their successors, assigns and legal representatives, the undersigned will execute all continuations-in-part, continuations, divisions, substitutes, reissues, extensions thereof, execute all rightful oaths, assignments, powers of attorney and other papers, testify in any legal or quasi legal proceedings; communicate to said Assignees, their successors, assigns or legal representatives all facts known to the undersigned relating to said invention and the history thereof; and generally do everything possible which said Assignees, their successors, assigns, or legal representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said invention and for vesting title to said invention and all applications for patents on said invention in said Assignees, successors, assigns, or legal representatives; and

Covenant with said Assignees, their successors, assigns, or legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same has herein expressed is possessed by the undersigned.

Assignor hereby grants the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:

MORGAN LEWIS & BOCKIUS, LLP.

Assignors acknowledge an obligation of assignment of this invention to Assignees at the time the invention was made.
