ASSIGNMENT

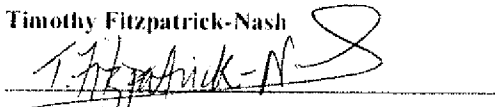

Whereas, **Timothy Fitzpatrick-Nash**, is the sole inventor of certain new and useful improvements in "**LANGUAGE-ADAPTED USER INTERFACES**", for which Singapore Patent Application Number 10201706479X was filed on August 8, 2017 and for which a United States patent application is being contemporaneously filed (Porter, Wright, Morris & Arthur Docket No. 4014619);

And whereas, **Shanghai Index Ltd.**, a British Virgin Islands corporation having an address of P.O. Box 3387, Road Town, Tortola, British Virgin Islands, is desirous of acquiring the entire right, title and interest in, to and under the United States patent application, and any patent applications claiming priority therefrom;

Now, therefore, in accordance with our agreements and other good and valuable consideration, the receipt of which is hereby acknowledged, I, **Timothy Fitzpatrick-Nash**, do hereby sell, assign and transfer to **Shanghai Index Ltd.**, the entire right, title and interest in and to the invention of new and useful improvements in "**LANGUAGE-ADAPTED USER INTERFACES**", the U.S. patent application, the invention therein described, and all rights appurtenant thereto and in all my U.S. patent applications related thereto, including each of the following: the right to apply for any patent for the invention in the U.S.A., any and all other U.S. applications for patent on the invention, including all non-provisional, divisional, continuation, continuation-in-part, renewal, substitute and refiled or reissue applications based in whole or in part upon the invention or upon the patent applications or related thereto; any and all patents that may issue thereon in the U.S.A., all to be held by **Shanghai Index Ltd.**, and its successors and assigns, all the same as I would have held and enjoyed had this Assignment not been made.

I hereby request and authorize the empowered officials of the U.S.A. to grant, issue and transfer any U.S. patent for the invention to **Shanghai Index Ltd.**, as assignee of the entire right, title and interest therein, in accordance with this instrument of assignment.

I hereby represent and warrant that there are no outstanding rights or interest inconsistent with the rights and interests granted herein; I bind myself and my heirs, executors, administrators and legal representatives to execute and deliver to **Shanghai Index Ltd.**, and its successors and assigns, any further documents or instruments and to perform any and all further acts that may be deemed necessary to enable it, and its successors and assigns, to file applications for patent for said invention in any country in which it may elect to file such applications, and to vest in **Shanghai Index Ltd.**, and its successors and assigns, the title herein conveyed and intended to so be, and to enable such title to be recorded in each application so that any patent issued thereon shall be issued to vest in **Shanghai Index Ltd.**, and its successors and assigns.

Inventor: **Timothy Fitzpatrick-Nash**
