ASSIGNMENT

WHEREAS, **Baker Petrolite LLC**, a corporation of the State of Delaware, and having a principal address of 12645 West Airport, Sugar Land, Texas 77478-6120, is the owner by assignment(s) of an invention entitled, "ADDITIVES TO ENHANCE METAL AND AMINE REMOVAL IN REFINERY DESALTING PROCESSES" for which application for United States Letters Patent was filed on April 15, 2016, as U.S. Patent Application No. 15/130,450 and;

WHEREAS, **Baker Hughes, a GE Company, LLC**, with a business address of 17021 Aldine Westfield Houston, Texas 77073, USA, hereafter "BH", is desirous of acquiring the entire right, title and interest in and to the aforesaid invention and U.S. Patent Applications throughout the world, and all right, title and interest in, to and under any and all Letters Patent of the United States and all other countries throughout the world;

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) to us in hand paid by **Baker Petrolite LLC** and for other good and valuable considerations, the receipt of which is hereby acknowledged, **Baker Petrolite LLC** does hereby sell, assign, transfer and set over to **BH**, all right, title and interest in and to the said invention throughout the world, and said application for U.S. Letters Patent, and any and all divisions, continuations, reexaminations and reissues thereof, and any and all Letters Patent of the United States and foreign countries which may be granted therefor, the same to be held and enjoyed by **BH** for its own use and benefit, and for the use and benefit of its successors, assigns, or other legal representatives, to the end of the term or terms for which said Letters Patent of the United States or foreign countries are or may be granted, reexamined or reissued, as fully and entirely as the same would have been held and enjoyed by **Baker Petrolite LLC** if this assignment and sale had not been made.

And **Baker Petrolite LLC** hereby authorizes and requests the Commissioner of Patents and Trademarks to issue any and all Letters Patent of the United States on said invention or resulting from said application and from any and all divisions, continuations, and reissues thereof, to **BH**, as assignee of its entire interest. In connection therewith, **Baker Petrolite LLC** hereby covenants that it has the full right to convey the entire interest herein assigned, and that **Baker Petrolite LLC** has not executed and will not execute any agreement in conflict therewith.

And **Baker Petrolite LLC** further hereby agrees that it will, at any time, upon request, execute and deliver any and all papers that may be necessary or desirable to perfect the title of said invention and to such Letters Patent as may be granted therefor, to **BH**, its successors, assigns, or

other legal representatives and that if **BH** shall desire to file any divisional or continuation applications or to secure a reexamination or reissue of such Letters Patent, or to file a disclaimer relating thereto, will upon request, sign all papers, make all rightful oaths and do all lawful acts requisite for the filing of such divisional or continuation application, or such application for reissue and the procuring thereof, and for the filing of such disclaimer.

And **Baker Petrolite LLC** does further agree that it will, at any time upon request, communicate to **BH**, its successors, assigns or other legal representatives, such facts relating to said invention and Letters Patent or the file history thereof as may be known to it or its employees, and testify as to the same in any interference or other litigation when requested so to do, without further compensation but at the expense of **BH**, its successors, or other legal representatives.

EXECUTED this 25th day of April, 2018.
