UNITED STATES OF AMERICA
Citizenship: US

Anthony B. COOPER
2092 Jericho Street
White River Junction, Vermont 05001
UNITED STATES OF AMERICA
Citizenship: US

(referred to in this Assignment as "Assignors"), who each resides at or has a mailing address as listed above.

This Assignment is to:

Assignee: ADIMAB LLC
Address: 7 Lucent Drive
Lebanon, New Hampshire 03766
UNITED STATES OF AMERICA

A limited liability company duly organized under and pursuant to the laws of Delaware

(referred to in this Assignment as "Assignee"), who desires to acquire the entire right, title and interest in the invention(s) and in the Patent Cooperation Treaty (PCT) application listed below, and in any United States or foreign letters patent or patents to be obtained therefor and thereon.

Assignors invented certain new and useful invention(s) in:

ANTI-SORTILIN ANTIBODIES AND METHODS OF USE THEREOF

for which a Patent Cooperation Treaty (PCT) application was filed in the U.S. Receiving Office for the Patent Cooperation Treaty under International Application No. PCT/US2016/026519 on the International Filing Date of April 7, 2016.

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged,

1. Assignors hereby sell, assign, transfer and set over, to Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned invention, Patent Cooperation Treaty (PCT) application, any and all provisionals, non-provisionals, divisions, continuations, and continuations-in-part claiming priority thereto or the benefit thereof, including, without limitation, the patent applications listed in Appendix A, substitutions of said applications, and any and all letters patent or patents in the United States of America and all foreign countries or jurisdictions which may be granted therefor and thereon, including, without limitation, any modifications to such letters patent or patents such as through reissue, re-examination or other post-grant proceeding, and any and all extensions of said letters patent or patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee (including any right to institute actions and to recover damages for past, present and future infringement), for its own use and the use of its successors, legal representatives and assigns, to the full end of the term or terms for which letters patent or patents may be granted, as fully and entirely as the same would have been held and enjoyed by Assignors, had this sale and assignment not been made.

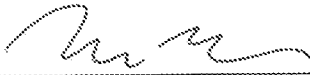

2. Assignors represent, warrant and covenant (a) that, at the time of execution and delivery of this agreement, Assignors are the sole and lawful owner of Assignors' entire right, title and interest in and to said invention and said application for letters patent, and that the same are unencumbered and that Assignors have good and full right and lawful authority to sell and convey the same in the manner set forth in this agreement, or (b) that Assignors solely and lawfully owned Assignors' entire right, title and interest in and to said inventions and said PCT application, and that the same were unencumbered and that Assignors sold, assigned, transferred, and set over to, Assignee, its successors, legal representatives and assigns, Assignors' entire right, title and interest in and to said inventions and said PCT application.

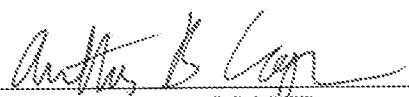

3. Assignors shall promptly sign and execute all papers and documents, take all lawful oaths, and do all acts necessary, required or useful for the procurement, maintenance, enforcement, defense or otherwise to secure title thereto to the Assignee, at the sole cost and expense of Assignee, its successors, legal representatives and assigns, in each case including, without limitation, arising from or relating to (a) said inventions, or said PCT application; (b) any provisional, non-provisional, division, continuation, or continuation-in-part claiming priority thereto or the benefit thereof, or any substitution of any such application, including, without limitation, the patent applications listed in Appendix A, or (c) any letters patent or patents for said inventions in any country or jurisdiction, including, without limitation, any modification to such letters patent or patents such as through reissue, re-examination or other post-grant proceedings. To be clear, for purposes of this paragraph, "procurement, maintenance, enforcement, defense" shall include, without limitation, any preparation, prosecution, pre-grant proceeding, and post-grant proceeding, whether before a patent office or other administrative body or judicial body with jurisdiction therefor.

4. Assignors hereby authorize and request the Commissioner of Patents in the United States to issue the above mentioned letters patent of the United States to Assignee as the assignee of said inventions and the letters patent to be issued thereon for the sole use of Assignee, its successors, legal representatives and assigns.

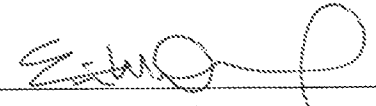

5. "I hereby grant Assignee's attorneys, all of Morrison & Foerster LLP, the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark office for recordation of this document.

In witness whereby, executed by the undersigned on the date(s) opposite the undersigned name(s).
