ASSIGNMENT

WHEREAS, I, John D. Anderson, residing at 282 Peterson Road, Russell, PA 16345, together with John Shelley, residing at 1729 Moody Hollow Road, Eldred, PA 16731 (hereinafter "Assignors"), have jointly invented certain new and useful apparatus, inventions, discoveries and/or improvements disclosed in an application for United States Letters Patent entitled "Pig Loader Device: A device for seating a pig within a pipe comprised of but not limited to introducing and properly seating a pig within a pipe through a breech assembly. The device includes a breech assembly having a chamber body and a ramrod compartment. The device is connected to an ancillary pipe via a neck portion, and a pig is urged through the breech assembly upon engagement with a ramrod to seat the pig within the ancillary pipe and to facilitate pigging operations of a pipeline", filed on May 26, 2015 and issued Application No. 62/166,412 (hereinafter "Application").

AND WHEREAS, John Anderson Construction, Inc., a Pennsylvania corporation having a place of business at 2033 Pennsylvania Ave E, Warren, Pennsylvania 16365 (hereinafter "Assignee"), is desirous of acquiring the entire right, title and interest in and to said Application and the apparatus, inventions, discoveries and improvements therein disclosed:

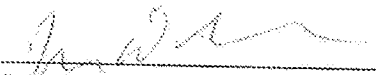

NOW THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration paid to us by said Assignee, receipt whereof we hereby acknowledge, we do hereby assign, sell, transfer, and set over unto said Assignee our entire right, title, and interest in and to said Application and the apparatus, inventions, discoveries and improvements therein disclosed for the United States and all foreign countries and any Letters Patent which may issue therefor in the United States and all foreign countries and all utilities, divisions, reissues, continuations, continuations-in-part, renewals and/or extensions thereof, including all priority rights under the International Convention associated therewith for each country and the United States, said Assignee to have and to hold the interests herein assigned to the full ends of the terms of said Letters Patent and any and all utilities, divisions, reissues, continuations, continuations-in-part, renewals and/or extensions thereof, respectively, as fully and entirely as the same would have been held and enjoyed by us had this Assignment not been made.

The Commissioner of Patents and Trademark is requested to issue such Letters Patent in accordance herewith. We covenant that we are a lawful owner of the said Application, apparatus, inventions, discoveries and improvements, that the same are unencumbered, that no license has been granted by us to make, use, or vend the said apparatus, inventions, discoveries or improvements or any of them, and that we have the full right to make this Assignment.

And for said consideration, we agree that we will communicate to said Assignee or the representatives thereof any facts known to us respecting said apparatus, inventions, discoveries and improvements, and will, upon request, but without expense to us, testify in any legal

proceedings, sign all lawful papers, execute all divisional, reissue, continuation, continuation-in-part, renewal and/or extension applications, make all rightful oaths, and generally do all other and further lawful acts, deemed necessary or expedient by said Assignee or by counsel for said Assignee, to assist or enable said Assignee to obtain and enforce full benefits from the rights and interests herein assigned, and, in the event of any application or Letters Patent assigned herein becoming involved in interference, to cooperate to the best of the ability of the undersigned in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof. This Assignment shall be binding upon our heirs, executors, administrators and/or assigns, and shall inure to the benefit of the heirs, executors, administrators, successors and/or assigns, as the case may be, of said Assignee.

And for said consideration, the undersigned hereby agree to execute, at the request of said Assignee, all documents in connection with any application for U.S. utility and foreign letters patent therefor.
