PATENT ASSIGNMENT

WHEREAS, **YKK Corporation of America**, a Corporation of the State of New York, having its principal place of business at One Parkway Center, 1850 Parkway Place, Suite 300, Marietta, Georgia 30067 (hereinafter "**Assignor**") is the owner of certain patent applications, along with the inventions disclosed and described therein, as identified below (hereinafter "**Patent Applications**"):

United States Non-Provisional Patent Application No. 15/683,089; filed August 22, 2017; and entitled
SLIDE FASTENER.

WHEREAS, **YKK Corporation**, a Corporation of Japan having its principal place of business at 1, Kanda Izumi-Cho, Chiyoda-ku, Tokyo 101-8642, Japan (hereinafter "**Assignee**"), is desirous of acquiring all interests in the same;

NOW, THEREFORE, for and in consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does sell, assign and transfer unto Assignee, the full, exclusive and entire right, title and interest: (i) in and to all inventions and improvements disclosed and described in the Patent Applications, (ii) in and to the Patent Applications, (iii) in and to all right to sue, counterclaim, and recover for past, present, and future infringement of the rights assigned or to be assigned under this Agreement, including all income, royalties, damages and payments now or hereafter due or payable with respect thereto, and to all causes of action (either in law or in equity), (iv) in and to the right to claim any applicable foreign and domestic priority rights arising from such Patent Applications; and (v) in and to any related patent applications filed in the United States describing in whole or in part the inventions and improvements disclosed in the Patent Applications, preparatory to obtaining patents of the United States therefore; and Assignor hereby requests the Commissioner of Patents to issue any and all patents of the United States resulting from such Patent Applications, any related patent applications, or from any division, continuation, continuation-in-part, or reissue thereof, in the name of Assignee, for its interest and for the sole use and benefit of Assignee and its assigns and legal representatives;

For the same consideration, Assignor does sell, assign, and transfer to Assignee the full, exclusive, and entire right, title, and interest in and to any and all foreign patent applications corresponding to the Patent Applications ("Foreign Applications"), in whole or in part, in countries other than the United States, in and to any patents and similar protective rights granted on the Foreign Applications, and in and to the right to claim any and all applicable priority rights arising from or required for the Foreign Applications under the terms of any applicable conventions, treaties, statutes, or regulations; the Foreign Applications to be filed and issued in the name of Assignee or its respective designees, insofar as permitted by applicable law;

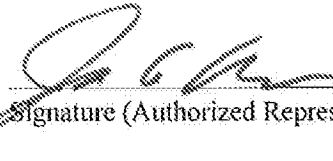

AND, for the same consideration, Assignor agrees to sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue and other applications, make all assignments and rightful oaths, and generally do everything possible to aid Assignee and its successors, assigns, and nominees, to obtain and enforce proper protection for all the inventions and improvements disclosed in the Patent Applications in all countries throughout the world.

The parties to this Agreement ("Parties") may execute this Agreement in one or more counterparts, each of which is an original, and all of which constitute only one agreement between the Parties.
