Whereas we, LABORATORIOS DEL DR. ESTEVE S.A., the above-identified assignors, are assigned certain new and useful improvements in the Invention identified above and described in the above-identified patent application(s) and/or patent(s) (hereinafter referred to as "Invention");

And, whereas we represent and warrant that we have the full and unencumbered right to sell, assign, and transfer our interest in the Invention, and that we have not executed and will not execute any document or instrument in conflict herewith;

And, whereas we desire to assign the above-identified rights, title and interest in the Invention to the above-identified Assignee(s);

Now, this indenture witnesseth, that for good and valuable consideration, the receipt whereof and adequacy of which is hereby acknowledged;

We hereby assign, sell and transfer the above-identified rights, title and interest in said Invention, said application(s) as identified above, including any divisions, continuations, and continuations-in-part thereof, and in and to any and all Letters Patent of the United States which may be granted or have granted for said Invention, and in and to any and all reissues and reexaminations thereof, and other benefits accruing or to accrue with respect to the filing of applications for patents or securing of patents in the United States, unto said Assignee;

And I (we) hereby authorize and request any National or International patent authority to issue any Letters Patent which may issue for said Invention to said Assignee(s), as assignee(s) of the whole right, title and interest thereto;

In accordance with United States rule 37 CFR 1.14(h)(3), access will be provided to a copy of the above-identified patent application with respect to: 1) the above-identified patent application-as-filed; 2) any foreign application to which the above-identified patent application claims priority under 35 U.S.C. 119(a)-(d) if a copy of the foreign application that satisfies the certified copy requirement of 37 CFR 1.55 has been filed in the above-identified patent application; and 3) any U.S. application-as-filed from which benefit is sought in the above-identified patent application.

In accordance with United States rule 37 CFR 1.14(c), access may be provided to information concerning the date of filing the Authorization to Permit Access to Application by Participating Offices.

And I (we) further agree to sign and execute all necessary and lawful future documents, for filing divisions, continuations and continuations-in-part of said application for patent, and/or, for obtaining any reissue or reissues of any Letters Patent which may be granted for my (our) aforesaid Invention, and/or for obtaining and enforcing proper title in and protection for said Invention, as the Assignee or its Designee(s) may from time to time require and prepare at its own expense;

And we further authorize any member of The Firm of Hueschen and Sage, PLLC to insert or complete any information in this document to effect its recordal with any National or International patent authority;

And we further understand and agree that the attorneys and agents of The Firm of Hueschen and Sage, PLLC do not personally represent LABORATORIOS DEL DR. ESTEVE S.A. legal interests, but instead represent the interests of Assignee(s), and we further understand our right to seek our own independent legal counsel.
