## ASSIGNMENT AGREEMENT

On the date shown below, and for good and valuable consideration the receipt of which is hereby acknowledged, **Eileen L. Barber and Timothy P. Barber**, as individuals and citizens of the United States with a home address at 120 N. Mobley Drive, Boise, Idaho 83712, and in their respective capacities as President and Chief Technical Officer of **Keynetics, Inc.**, a corporation in the State of Delaware, with a principal place of business at 915 West Jefferson Street, Boise, Idaho 83702 ("Assignor") made the following assignment and promises to **TeleCheck Services, Inc.**, a Delaware corporation ("Assignee"), having a principal place of business at 5251 Westheimer Road, Houston, Texas 77056, in connection with said invention of a new, original, novel and unique **ONLINE MACHINE DATA COLLECTION AND ARCHIVING PROCESS** ("Invention").

I assign, transfer, and convey to Assignee the entire right, title and interest in and to

- (a) the Invention;
- (b) the U.S. Provisional Patent Application, Serial No. 60/209,936, filed June 7, 2000;
- (c) the U.S. application for United States Letters Patent executed by me and filed on June 7, 2001;
- (c) any Letters Patent issued pursuant to, or as a result of, the application referenced above;
- (d) all applications for Letters Patent, or similar legal protection, which may be filed in any country or countries foreign to the United States with respect to the Invention;
- (e) all Letters Patent which may be granted for the Invention in any country or countries foreign to the United States; and
- (f) all extensions, renewals, reissues, divisions, and continuations (or their legal equivalents) of any applications or Letters Patent referred to above.

2. I authorize and request the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States whose duty it is to issue patents or similar legal protection on applications, to issue to Assignee all Letters Patent or similar legal protection for the Invention or improvements.

3. I agree that, upon the request of Assignee, I will

- (a) execute any and all divisional and renewal applications for the Invention or improvements;

- (b) execute any supplemental oath relating to the Invention or improvements;
- (c) execute any application for reissue or extension of any Letters Patent that may be granted upon the application;
- (d) cooperate to the best of my ability in connection with any Interference proceeding, including but not limited to, cooperation in connection with preparing the preliminary statement and giving and producing evidence in support of such preliminary statement;
- (e) perform any and all affirmative acts to obtain Letters Patent and vest all right in such Letters Patent in Assignee; and
- (f) perform such additional acts as Assignee may deem necessary or expedient in connection with any of the matters stated above.

4. I covenant and warrant that as of the date of this Assignment Agreement, I am the true and lawful owner of the entire right, title, and interest in the Invention, application for Letters Patent, and any Letters Patent which may issue under said application, and have the full right and power to convey the same; that the same are free and clear of all liens, charges and encumbrances whatsoever; and that I have not executed and will not execute any agreement in conflict with this Assignment Agreement.

5. This Assignment Agreement is binding upon, shall inure to the benefit of, and shall be performed by the parties named, their heirs, administrators, legal representatives, successors and assigns.
